

Fintech made in Switzerland

Andreas Iten

F10, 25 August 2015

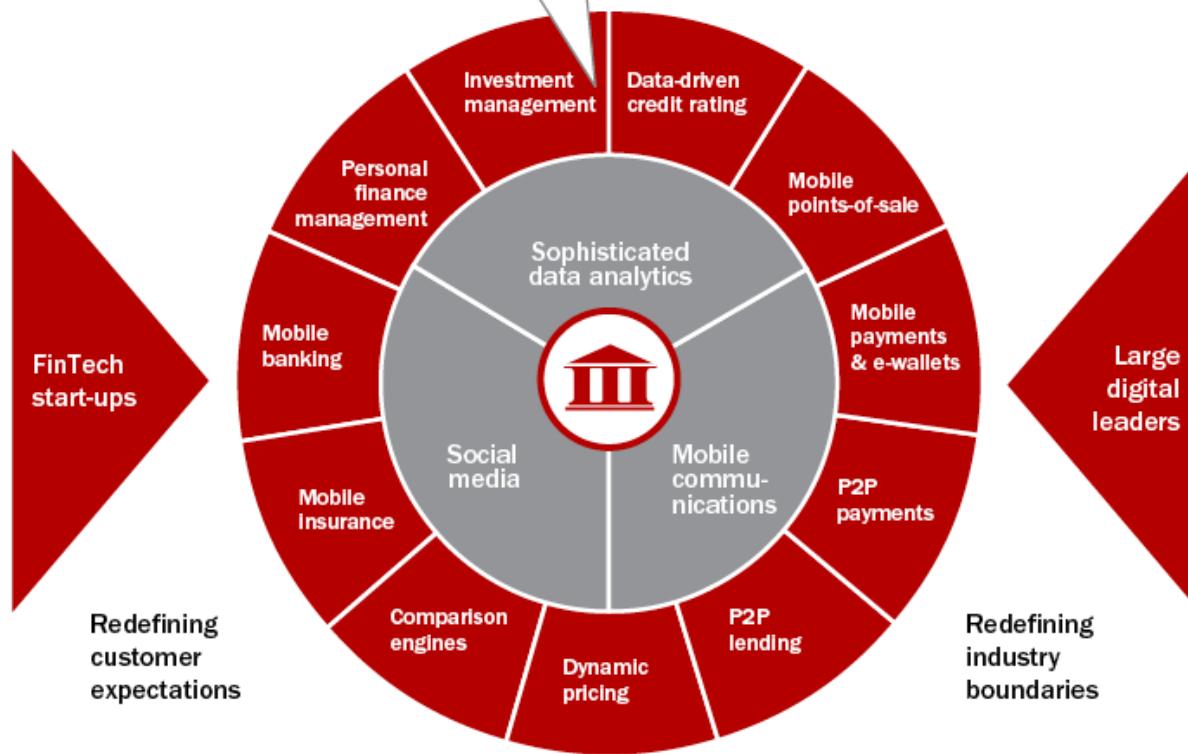

What is Fintech?

**an economic industry
composed of companies
that use technology to
make financial systems
more efficient***

F10 powered by SIX, IMPACT HUB Zurich, FUSION

SIX position in Fintech?

SIX will establish itself as an enabler in the FinTech field

SIX activities in Fintech?

// #SIXHackathon -Europe's largest Fintech Hackathon

// F10 - SIX Fintech Incubator

// Partnership with Impact Hub (Project NEXT)

// Support of DigitalZurich2025 and FintechInnovationLab Dübendorf

Benefits of collaboration with the Start-Up's and Universities

// Identify trends earlier (technology/market)

// Cultural spillover (Intrapreneurship, Spirit)

// Access to top talents (Techies and SME's)

// Co-creation of new business ideas

The background features a blue grid pattern overlaid with various financial symbols including a dollar sign (\$), a Euro sign (€), and a line graph with data points. The text is centered in white.

SIX bears great responsibility for the Swiss financial industry. We have set ourselves the target of strengthening the FinTech scene in Switzerland and, in doing so, helping the financial center continue to move forward.
