SIX  
HR Talent Acquisition  
Pfingstweidstrasse 110  
P.O. Box  
CH-8021 Zurich

### Development Opportunities

- Personal mentor
- SIX Academy (choose between face to face & e-learning modules)

### Social Networking

- Welcome Day and numerous employee events
- Wide range of sports and recreation activities and clubs, including an in-house INDIGO gym in Zurich
- Young Talent Community
- Social Days

### Additional Benefits

- Innovative work space with state-of-the-art technology
- Flexible working models and agile working methods
- Discounts on food and beverages

Would you like to have a look behind the scenes of an innovative company and put your theoretical knowledge to practical use? And do you have successfully completed your bachelor's or master's degree, or are you about to graduate?

## Then Apply for an Internship at SIX!

### What Awaits You

During your time at SIX you do not only get to know our values – Ownership, Trust, Customer Focus, and Collaboration – but also hands-on experience in a company that drives the transformation of the Swiss Financial Center. You increase your practical and technical knowledge, support your team in the daily operative business, or lead your own projects. Doing so, you will have your personal mentor who guides you as well as fosters your growth and development. Next to identifying your personal interests and strengths you will be an active team member and have the opportunity to connect and expand your social network by participating in meetings, events and professional trainings.

Please regularly check our vacancies which open up throughout the year.
