## Contact

SIX  
HR Talent Acquisition  
Pfingstweidstrasse 110  
P.O. Box  
CH-8021 Zürich

**“Being part of a great, collaborative team and taking over responsibility from day one – that’s what thrilled me most about my internship at SIX.”**

**Nora, 24, Intern HR Talent Acquisition**

**Would you like to have a look behind the scenes of an innovative company and put your theoretical knowledge to practical use? And do you have successfully completed your bachelor’s or master’s degree, or are you about to graduate?**

## **Then apply for a six-month internship at SIX!**

### **What Awaits You**

During your time at SIX you do not only get to know our values – Ownership, Trust, Customer Focus, and Collaboration – but also hands-on experience in a company that drives the development of transformation of the Swiss Financial Center. You increase your practical and technical knowledge, support your team in the daily operative business, or lead your own projects. Doing so, you will have your personal mentor who guides you as well as fosters your growth and development. Next to identifying your personal interests and strengths you will be an active team member and have the opportunity to connect and expand your social network by participating in meetings, events and professional trainings.

Please regularly check our vacancies which open up throughout the year.
