

HEIKO STUBER

Senior Product Manager Financial Information, SIX

Heiko Stuber is Senior Proposition Manager for Reference Data at SIX, Business Unit Financial Information and has been with the company since 2012. In this role, he is responsible for identifying market trends and customer requirements in the regulation area and to define solutions that mitigate clients' risks – such as for CSDR, MiFID II, SFTR, AIFMD, etc. On a regular basis, he participates as a regulatory expert in industry working groups initiated e.g. by ECSDA, PIMFA and as a speaker on industry events like Post Trade 360°. Previous to joining SIX, Heiko Stuber had extensive experience within the investments banking area as principal consultant and project manager for international banks, commodity trading companies and utility providers. Additionally, he also led the analysis of trading and business processes for listed instruments and OTC derivatives, and has managed projects within the energy and commodity trading area.
