

JÜR G STALDER

Senior Product Manager Financial Information, SIX

Jürg Stalder has been a Senior Product Manager at SIX Financial Information since 2014. In this role, he is responsible for developing data services for clients to help them meet tax, regulation and compliance requirements such as FATCA, IRS Section 871(m), AEoI/CSR and Financial Transaction Tax. Prior to joining SIX, Jürg Stalder worked at Thomson Reuters where he defined the strategy and managed the risk of News Technology Platform assets used by display and feed products. Before that, he was a product manager at Reuters in charge of defining and implementing the capabilities of the Reuters News Platform.
