The SIX Sweden Index (SIXSWE) has been constructed to mirror the market performance of companies listed on the Stockholm Stock Exchange. SIXSWE is a capital weighted index which aims to reflect the market performance from a fund management perspective.

**Index variations**
The SIX Sweden Index is part of the SIX Nordic Index family which consists of Nordic indexes as well as individual country indexes. SIXSWE is calculated in three dividend versions (Price, Gross and Net) and are available in both capped and uncapped variants.

**Index calculation**
New listings on the Stockholm Stock Exchange are included in the index calculation from the second listing day.
