SIX Exfeed may accept as an affiliated company in the Distributor's Group:

Subsidiaries, and any holding company of the User and any Subsidiary of such holding company. For the purpose of this definition, a subsidiary means a company in which the Distributor owns directly or indirectly more than 50% (fifty percent).

An affiliate may only be authorised to be part of the Users Group if:

- SIX Analytics Services [SAS] is received by the same distribution channel (e.g. SFTP user, a closed user group, or any other distribution system of SIX Exfeed)

Buying syndicates with the objective to group multiple SAS users with the intent to reduce SAS Fees with no effective, contractual or/and technical control over distribution systems are not permitted. A list of the User's Group members and authorised affiliates is contained in this Addendum II, as may be amended from time to time, always subject to prior approval by SIX Exfeed.
