

SIX Nordic Index Offering

SIX Index Licensing, 2025

SIX Nordic Indices

- More than 300 indices in total, provided mostly to Swedish and Nordic clients
- Largest independent index provider in the Nordics
- Calculating indices since 1994, with data since 1979
- 40 Swedish and Nordic ESG, SRI and Sustainability indices
- Custom indices for different use-cases

Most important indices

- **SIX30RX**: Swedish blue-chip companies
- **SIXPRX**: Swedish equity market index
- **SIXSESRI**: Swedish equity ESG market index
- **SIXSEDIV21SRI**: Swedish top dividend portfolio index

Data sourcing

- All Nordic indices use readily available data from the Swedish, Finnish, Danish and Norwegian Stock Exchanges, regulated by their National Competent Authorities
- The Nordic benchmarks are authorized under BMR with Finansinspektionen

Client usages

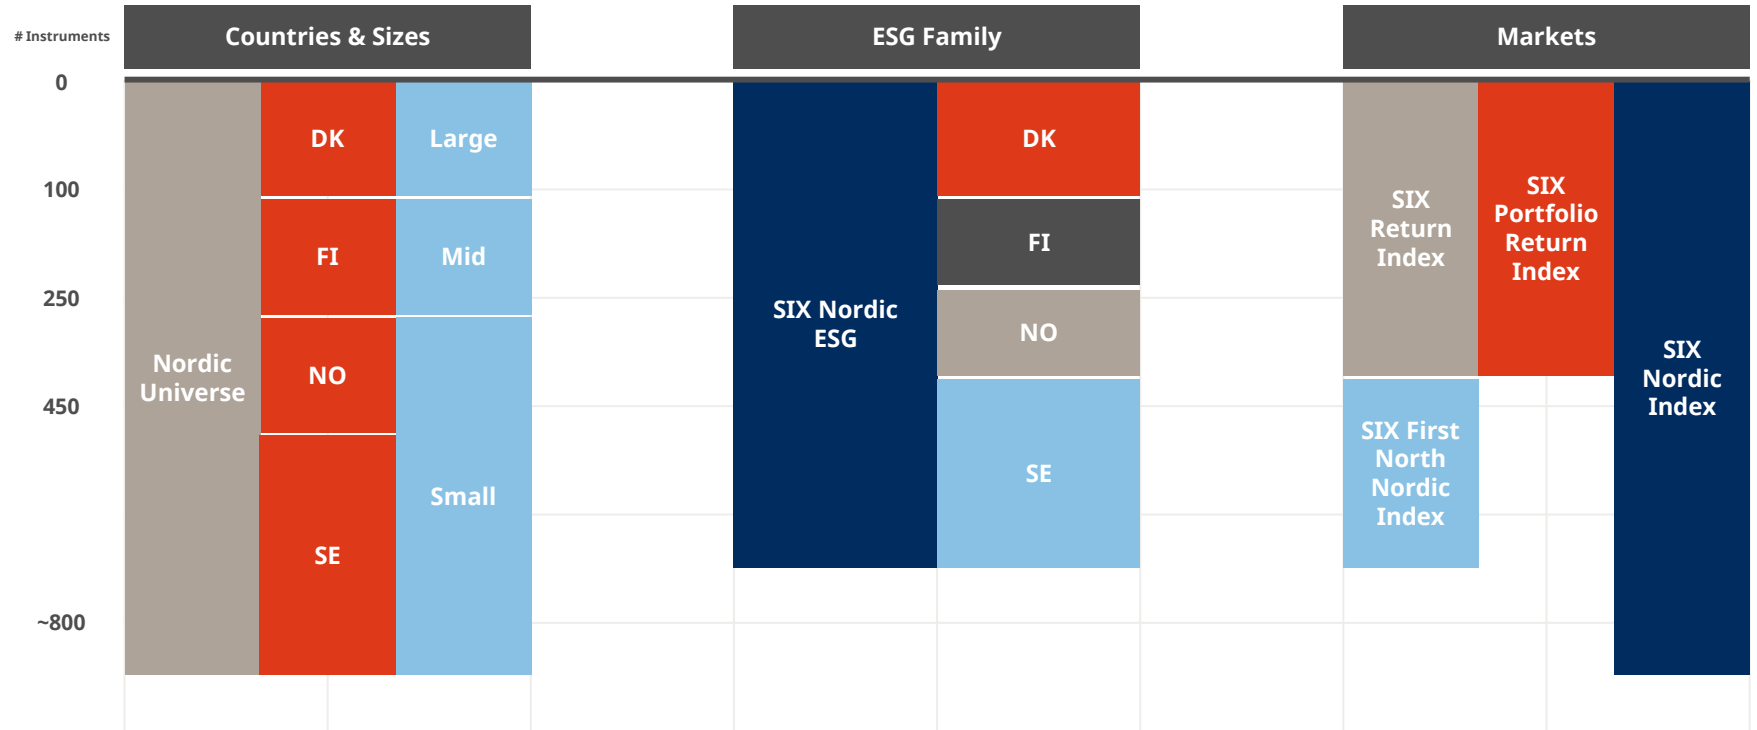

- Creation of financial products in Asset Management (index funds, ETFs)
- Internal usage (Index Reports) by banks in active portfolio management, advisory, research

Asset classes

- **Equity**: Instruments listed at the Nordic Stock Exchanges

The SIX Nordic Index Family Encompasses Regions, Countries, Sizes and ESG
