Important Information 

Dear Customer

According to the attached SIX Swiss Exchange MSC message no. 79/2012, background load tests will be conducted in the SIX member test environment on Thursday, 22 November 2012 from 18:00 to 20:00 CET. The test data will be available in the SMF test environment for SMF version 9.0.

Could you please give us your feedback about the feasibility of the new migration target date of 8/9 December 2012 for the introduction of SMF version 9.0 together with SWXess Maintenance Release 3 (SMR3). The going-live date for SMF version 9.0 is therefore Monday, 10 December 2012.

On 23 November 2012, we will inform you about the SMR3 and SMF 9.0 Production Migration.
