Dear Customer

Based on SIX Swiss Exchange's decision (SIX Swiss Exchange message), the implementation of SMF version 9.0 will take place over the weekend 8th / 9th December 2012, together with the SMR3 Production Migration (SMR3). Therefore, the going-live date for SIX Exfeed's SMF version 9.0 will be Monday, 10th December 2012.

The static data delivery for SMF version 9.0 including the board ID's for all SIX securities will be done on **Sunday 9th December 2012** and will be sent as static data update messages (message type 5). The SMF channels (production) will be open between 10:00 and 14:00 CET.

Should you have any questions, please contact us.
