Pages 1

Date 27.07.2018

Important Information 

Dear Vendor

As the Repo- and Swiss Stock Exchange markets are closed, no real-time market and index data will be available, MDDX will only disseminate reference data (Swiss Fund Data, DP and CONNEXOR - Packages 24, 25 and 26) on 1st of August.

In the future we will provide this type of information in a dedicated calendar on the website. Further details on this will be provided a later date.

Please note that the official trading/dissemination calendars can be found under the relevant links below.

- [SIX Swiss Exchange & SIX Swiss Exchange - Structured Products](#)
- [SIX Repo AG](#)

Your sincerely
