

SIX Exfeed Message No. 08/2019

Subject **New IP Addresses for SIX Exfeed Website**

To Business Coordinators
 Technical Coordinators

Authorized by Customer Support

Pages 1

Date 21.05.2019

Action required 

Dear Customer

Due to upcoming network changes that will affect the **SIX Exfeed Ltd. website**, we kindly ask you to make the following adjustments to your network before **15 June 2019**:

Please change the IP addresses for the **SIX Exfeed Ltd. website** as shown in the table

Environment	Service	URL	OLD IP Address	NEW IP Address
Test	Historical Price Service (HPS)	https://review.exfeed.com/client_area/download/imi_data.html	153.46.250.76	153.46.101.6 153.46.109.6
Production	Historical Price Service (HPS)	https://www.exfeed.com/client_area/download/imi_data.html	153.46.250.77	153.46.101.7 153.46.109.7

The TLSv1.0 and TLSv1.1 encryption protocols will be replaced by the **TLSv1.2** encryption protocol on **15 June 2019**.

Please use the temporary URL https://review.exfeed.com/client_area/download/imi_data.html to test the new IP addresses before 15 June 2019. Adjust your network configuration and firewall rules, if required.

Yours sincerely,

SIX Exfeed Ltd
