Dear Vendors

As communicated in the [SIX Swiss Exchange Message 01/2021](#) we would like to re-launch the Swiss European Best Bid Offer (Swiss EBBO) trading service for Swiss Shares.

The Swiss EBBO trading service was live in the Production environment from 27 to 30 June 2019. Nevertheless, if you intend to use the Swiss EBBO trading service, we strongly recommend that you re-test with your own applications in the Membertest environment from 18 January 2021 until the re-launch in the Production environment.

SIX Swiss Exchange plans to re-launch the Swiss EBBO trading service as follows:

Date	Activity	Remark
18 Jan 2021	Swiss EBBO trading service will be enabled in the Membertest environment.	It is strongly recommended that vendors re-test their own applications.
Q1 2021	Swiss EBBO trading service will be enabled in the Production environment.	The re-launch date in the Production environment will be announced at least two weeks in advance

Please note that if you did not subscribe to the Swiss EBBO package in the past in order to receive market data, please request the dedicated packages. Please use the official form ([application for SIX MDDX connection](#)) to subscribe to the required EBBO packages.
