Dear Vendors

As communicated in SIX Exfeed Message 01/2021, we would like to confirm the re-launch of the **Swiss EBBO** trading service in the Production environment on **15 February 2021**.

Timetable:

Date	Activity	Remark
18 Jan 2021	Swiss EBBO trading service enabled in the Membertest environment.	It is strongly recommended that vendors re-test their own applications in the Membertest environment by 12 February at the latest.
15 Feb 2021	First trading with Swiss EBBO trading service enabled in the Production environment.	

Please note that if you did not subscribe to the Swiss EBBO package in the past in order to receive market data, please request the dedicated packages. Please use the official form (application for SIX MDDX connection) to subscribe the Swiss EBBO market data packages for the pre-trade data.
