Dear Customer,

Following to our SIX Exfeed Message 05/2022 dated February 1st, 2022 related to the integration of the **BME Derivatives** and **BME Fixed Income (except "SENAF")** data packages into the "SIX Multi-Dimensional Data fluX" Test environment (SIX MDDX®), we are pleased to inform you that the Production launch of this second phase of the project will take place on **February 23rd, 2022**. If you have not done yet, we encourage you to use the attached form to request access to the **SIX MDDX® Production** environment at your earliest convenience.

We would like to take this opportunity to remind you that the third and final phase of this project (adding other BME data packages to SIX MDDX® as they are "SENAF", "APA" and "Corporate Actions and Material Information") will take place by end of March this year. We will keep you duly informed about any progress.

Do not hesitate to contact us for any further question or clarification at infomarketdata@grupobme.es

Yours sincerely,

Exfeed Ltd.
