Dear Customer,

Following to our communication dated **February 1st, 2022**, related to the BME's markets and data sources information integration into the “SIX Multi-Dimensional Data fluX” platform (SIX MDDX®), we are pleased to provide you with the **third** update of the SIX MDDX® platform technical documentation.

We draw to your attention that this documentation update covers **all BME data packages**.

Please find attached documentation as follows:

- MDDX Specs (clean and marked-up versions)
- FAQs
- Code Tables
- Data Dictionary
- Application for SIX MDDX Connection

In this sense, we would like to inform you that the SIX MDDX® Test environment now also includes **“BME APA”, “BME Corporate Actions and Material Information”** and **“BME SENAF”** data packages, and it is at your disposal as from **March 2nd, 2022**. Please use attached form to request the corresponding new BME data packages. Please also note that the **Production** launch of this second phase of the project will take place on **March 23rd, 2022**.

Do not hesitate to contact us for any further question or clarification at infomarketdata@grupobme.es

Yours sincerely,

Exfeed Ltd.
