Dear Customer

We would like to announce the launch of our new SIX Index Data Center (website), giving you access to restricted data related to SIX Swiss Indices.

The new SIX Index Data Center goes live today, **23 October 2023**. While the overall structure is very similar to the previous version, the look and feel is now fully aligned with the SIX Group appearance.

Future URL Logic

The file names and content will remain unchanged, but the URL will change. SIX will also provide a list that shows the path logic of open and close composition files published via the new SIX Index Data Center.

The list can be accessed here:

<https://www.six-group.com/dam/download/market-data/indices/six-calculated-indices.xls>

Type of File	URL-Logic
Open Files	https://indexdata.six-group.com/download/composition/open_+Index Symbol.csv
	Example open SMI https://indexdata.six-group.com/download/composition/open_smi.csv
Close Files	https://indexdata.six-group.com/download/composition/close_+Index Symbol.csv
	Example close SMI https://indexdata.six-group.com/download/composition/close_smi.csv

Parallel Operation

To ensure adequate time for modifying download jobs (scripts, macros, favorites, etc.) and a smooth transition, we offer a parallel operation of the old and the new SIX Index Data Center over a **three-month period until 31 January 2024**. After this period only the new SIX Index Data Center will be available.

New Data Center: <https://indexdata.six-group.com/>

Old Data Center: https://www.six-group.com/exchanges/indices/data_centre/index_overview_en.html

Please logon with your current email address to the **new** SIX Index Data Center to reset your password in order to access the Index data:
