Information 

Dear Customer,

As previously announced in [SIX Exfeed Message 13/2023](#), Swiss Indices has launched a new SIX Index Data Center (website), which provides access to the data related to SIX Swiss Indices.

Upcoming Transition Steps

In line with this transition, please be reminded of the upcoming changes:

Parallel Operation	Both the old and the new SIX Index Data Center will be operating in parallel until 31 January 2024 .
Final Transition	After 31 January 2024 , the old SIX Index Data Center will no longer be accessible. The new SIX Index Data Center will be the sole platform for accessing the Index data.

Customer Action

Please take the following steps to ensure a seamless transition and uninterrupted access to the Index data:

1. Update Download Jobs

Modify any download jobs, scripts, macros, or browser favorites that rely on the old Data Center structure. Please refer to the provided list of logic paths for guidance on new file URLs.

2. Reset Password

- Log in to the new SIX Index Data Center using your current email address and password.
- Reset your password for continued access to Index data.

Access Web Addresses

Please use the following web addresses to access the SIX Index Data Centers:

Old SIX Index Data Center	https://www.six-group.com/exchanges/indices/data_centre/login_en.html
New SIX Index Data Center	https://indexdata.six-group.com/login

Further Information

Please note that the list of logic paths included in our earlier communication and the attached FAQs serve as valuable resources during the transition.
