1 Introduction

The SWXess Maintenance Release 11 (SMR11) will be introduced in the Membertest environment with a **staged approach**, as announced in [MSC Message No. 23/2022](#).

The migrations to SMR11 Membertest stage 1 and 2.1 have already taken place.

The **SMR11 Membertest stage 2.2** migration weekend will take place **from 31 March to 1 April 2023** with **go live on 3 April 2023**.

1.1 Migration Schedule

The migration will start on Thursday, 30 March 2023 after “End of Business” and will be finished on Friday, 31 March 2023 at approximately 16:30 CEST.

The first trading day with SMR11 in Membertest environment (M01) with stage 2.2 functionality is scheduled for Monday, 3 April 2023.

1.2 Participant Action

Please note that Membertest stage 2.2 does not contain any mandatory interface changes. Therefore, no participant action is required on that migration weekend. However, participants can perform connectivity tests after the migration.
