Mandatory SMR11 Production Migration

The SWXess Maintenance Release 11 (SMR11) has been introduced in the Membertest environment with a staged approach. Meanwhile, with SMR11 Membertest stage 2.2 going live on 3 April 2023, all migration stages have been successfully completed.

The **mandatory SMR11 Production migration** weekend is scheduled on **13/14 May 2023** with **go live** in the Production environment **on 15 May 2023**.

Updated Release Guide

An updated version of the document "SMR11 Release Guide" (Version 3.00) has been published in the Member Section.

Please refer to the **Release Documents** page in the Member Section:

Release Documents

https://secure.six-swiss-exchange.com/member_section/it/release_docs.html

Please pay particular attention to a **mandatory change**: a **new Market Code Field** was added to Message Type "Traded Instrument Data [ID]".
