## Introduction

SIX Swiss Exchange confirms that the **mandatory SMR11 Production** migration weekend will take place as announced on **13/14 May 2023**. The first trading day in the Production environment will be on 15 May 2023 (see also [MSC Message No.14/2023](#)).

## Migration Schedule

The Production migration will start on Friday, 12 May 2023 after “End of Business” and will **finish on Saturday, 13 May 2023** at approximately 16:30 CEST.

The first trading day with SMR11 in Production environment (P01) and with **full SMR11 functionality** is scheduled for **Monday, 15 May 2023**.

## Participant Action

Participants, ISVs and ASPs will need to upgrade their trading applications and infrastructure during this migration weekend. In addition, the participants can perform connectivity tests after the migration.

## Further Information

For further Information, please refer to the SIX Swiss Exchange Member Section and in particular to the document “SMR11 Release Guide” (Version 3.00), sections 8.3.3 and 8.3.4.
