Dear Client,

We are pleased to inform you that we have launched the following new hourly analytics products designed to provide deeper insights into intraday market activity:

Venue		Purpose
SSX	BME	
SIX Concentration Analytics Hourly (SCAH)	BME Concentration Analytics Hourly (BCAH)	Provides detailed hourly information on market concentration, allowing clients to better understand how trading activity is distributed throughout the trading day
SIX Flow Analytics Hourly (SFAH)	BME Flow Analytics Hourly (BFAH)	Provides detailed hourly information on trading flows and intraday behavior, offering enhanced visibility into how market activity evolves during the trading session

All SIX Analytics Service products are available with access to historical data at no cost. Subscription service is offered as a fee-liable service.

Participant Action

If you wish to license any of these products, please send us an updated version of the corresponding [Order Form](#).
