Important Information 

Due to a technical problem at SIX Swiss Exchange, a small number of participants were unable to start trading properly, today 13 January 2012.

In order to ensure the integrity of the market, we have decided to delay the start of trading. Trading of equities and ETFs started at 12 noon, derivatives at 12.15 pm, and international bonds at 12.30 pm.

Participants have been informed of the delay and the new market opening times via [Newsboard](#). Closing times will remain unchanged.
