Information 

We would like to inform you about forthcoming changes to Directive 7: Fees and Costs regarding the calculation of the commitment levels. The changes will take effect on 1 April 2012.

In addition to the fees in the Blue Chip Shares segment, the fees resulting from trading via the SIX Swiss Exchange Liquidnet Service (SLS) will now additionally be taken into account in calculating the commitment levels.

Click on the link below to see the amended Directive 7:
