Information 

On Friday, 29 November 2019, SIX Swiss Exchange will make adjustments to the following tradeable share:

Changes to the Price Step Group

Security Description	ISIN	Symbol	Price Step Code		Date of change
			Old	New	
SOFTWAREONE N	CH0496451508	SWON	LF	LC	29.11.2019

Price Step Group Code changes will not automatically result in the deletion of open orders from the order books. Only open orders, which do not correspond to the instrument's new tick size regime, will be deleted before the Start of Business on the morning on which the new Price Step Group Codes come into force.

Participants are responsible for re-entering any affected orders into the corresponding order books with valid tick sizes before the start of trading.
