---

In the [SIX Swiss Exchange message No. 03/2020](#), SIX Swiss Exchange Ltd announced the optional SWXess Maintenance Release 8.2 (SMR8.2), which mainly contains enhancements and optimizations for on-exchange trading.

This message provides updated information for participants about business-related changes in SMR8.2 and confirms the start of the Membertest phase.

### Participant Readiness

Please find all of the business-related information regarding SMR8.2 in the **updated** “[SMR8.2 Participant Readiness](#)” brochure (English), which is being published together with this message. The brochure contains further information about the functional changes of SMR8.2 as well as details concerning the migration, Membertest phase and rollout. The brochure also contains links to other SMR8.2-relevant documents.

### Rollout

The Membertest phase for SMR8.2 will begin as scheduled on **Monday, 27 April 2020**. During this phase, all participants will be able to test their business-relevant processes, functionalities and applications.

SIX Swiss Exchange continuously strives to expand and improve its range of services and products, as well as its SWXess trading platform. Our participants can benefit from the improvements of SMR8.2, which will ensure continued efficiency in trading on the exchange.
