- Confirmation of introduction of SMR9 in the Membertest environment on 14 September 2020
- Publication of updated “SMR9 Participant Readiness” brochure

In [SIX Swiss Exchange message no. 29/2020](#), the Swiss Stock Exchange announced the revised rollout schedule for the mandatory SWXess Maintenance Release 9 (SMR9), which will introduce the new “Quote on Demand” trading service and will decommission the market code “XVTX”.

This message confirms the start of the Membertest phase.

Participant Readiness

Please find all of the business-related information regarding SMR9 in the **updated** [“SMR9 Participant Readiness”](#) brochure, which is being published together with this message. The brochure contains further information about the functional changes of SMR9 as well as details concerning the matching scenarios and the new Quote on Demand User Interface. The brochure also contains links to other SMR9-relevant documents.

Rollout

The Membertest phase for SMR9 will begin as scheduled on **Monday, 14 September 2020**. During this phase, all participants will be able to test their business-relevant processes, functionalities and applications.

Further important dates regarding SMR9 can be found in section 7 of the [“SMR9 Participant Readiness”](#) brochure and in the “Release Notes for SMR9” in the SIX [Member Section](#).

The Swiss Stock Exchange continuously strives to expand and improve its range of services and products, as well as its SWXess trading platform. Our participants can benefit from the improvements of SMR9, which will ensure continued efficiency in trading on the exchange.
