Testing

SMR9 has been available for testing in the Membertest environment since 14 September 2020. During this phase, all participants are able to test their business-relevant processes, functionalities and applications.

Rollout

The rollout of SMR9 in the Production environment is planned for 7 December 2020. The Swiss Stock Exchange will confirm the Production go-live of SMR9 by 30 November 2020 via a SIX Swiss Exchange message.

The Swiss Stock Exchange continuously strives to expand and optimize its range of services and products, as well as its SWXess trading platform. Our participants can benefit from the improvements of SMR9, which will ensure continued efficiency in trading on the exchange.
