The Swiss Stock Exchange is pleased to inform its participants of the amendments and enhancements to the Liquidity Provider Scheme (LPS) for the Central Limit Order Book (CLOB) “LPS CLOB” and the trading service SwissAtMid “LPS SwissAtMid” as of 1 August 2022.

Additional Partial Fulfilment for new LPS CLOB Participants

Each LPS CLOB participant receives two partial fulfilments of 80% of the cumulative requirements for the applicability of the LPS CLOB tariff each calendar year.

SIX Swiss Exchange AG now grants new LPS CLOB participants an additional partial fulfilment of 50% of the cumulative requirements for the applicability of the LPS CLOB tariff in the calendar year of the registration as a LPS CLOB Provider.

Amendment of Provisions for the Exclusion from LPS CLOB and LPS SwissAtMid

As of 1 August 2022, SIX Swiss Exchange AG will adjust the provisions for the exclusion of the applicability of the LPS CLOB tariff and LPS SwissAtMid tariff for Liquidity Providers, according to sections 7.4.5 and 8.4.5 of the List of Charges under the Trading Rules.

The Swiss Stock Exchange no longer excludes the applicability of the LPS CLOB tariff and of the LPS SwissAtMid tariff for the term of one month if the Liquidity Provider
- fails to fulfil the requirements of the LPS tariff; or
- has exceeded the permissible number of partial fulfilments.

The applicability of the LPS CLOB tariff and of the LPS SwissAtMid tariff will still be excluded for at least one month if the Liquidity Provider flags orders as client transactions under the nominated Party ID.
Enhancement of LPS CLOB and LPS SwissAtMid for Sponsored Users

As of 1 August 2022, SIX Swiss Exchange AG will support the participation in “LPS CLOB” and “LPS SwissAtMid” also for Sponsored Users.

A participant of the Swiss Stock Exchange (Sponsoring Participant) may request the applicability of the LPS CLOB tariff and/or LPS SwissAtMid tariff for a maximum of twelve months for a Sponsored User to whom he has granted Sponsored Access according to Directive 7: Sponsored Access. The provisions of the LPS tariff according to sections 7.4.5. and 8.4.5 of the List of Charges under the Trading Rules apply accordingly to Sponsoring Participants and Sponsoring Users.

Sponsoring Participants who request the applicability of the LPS CLOB tariff and/or LPS SwissAtMid tariff are subject to a monthly flat fee of CHF 5,000 per Sponsored User.
