Content of this message:

- Confirmation of the introduction of SMR11 **Phase 1** in the Membertest environment on **31 October 2022**
-

In [SIX Swiss Exchange message no. 26/2022](#), SIX Swiss Exchange AG informed about the publication of “[SMR11 Release Guide](#)” and the updated specification for the SWXess interfaces.

Introduction

This message confirms the start of Membertest **Phase 1** on **Monday, 31 October 2022**. Please note that Membertest **Phase 1** does not contain any mandatory SWXess interface changes. The goal of Membertest **Phase 1** is for all participants to start testing their business-related processes, functionalities and applications.

Release Guide

The details regarding business-related and technical adjustments as part of SMR11 can be found in the “[SMR11 Release Guide](#)”. It contains information about all functional and regulatory adjustments as well as details regarding migration, test phases, introduction and associated documents.

Further important dates regarding SMR11 can be found in section 3 of the “[SMR11 Release Guide](#)”.

SIX Swiss Exchange AG continuously strives to expand and improve its range of services and products, as well as its SWXess trading platform. Our participants can benefit from the improvements of SMR11, which will ensure continued efficiency in trading on the exchange.
