Action required 

Content of this message:

- Confirmation of the introduction of SMR11 **Phase 2.1** in the Membertest environment on **6 March 2023**
- Publication of the updated "[SMR11 – Release Guide](#)"
- Publication of the updated specifications of the SWXess interfaces

In [SIX Swiss Exchange message no. 32/2022](#), SIX Swiss Exchange AG informed about the revised timetable for the introduction in the Membertest and Production environment.

Introduction

This message confirms the start of the **mandatory** Membertest **Phase 2.1** on **Monday, 6 March 2023**. Membertest **Phase 2.1** includes **mandatory** adjustments to the SWXess interfaces. The goal of Membertest **Phase 2.1** is for all participants to start testing their business-related processes, functionalities and applications.

Release Guide

The details regarding business-related and technical adjustments as part of SMR11 can be found in the newest version of "[SMR11 Release Guide](#)". It contains information on all functional and regulatory changes as well as information regarding migration, test phases, introduction and associated documents.

Further important dates regarding SMR11 can be found in section 3 of the "[SMR11 Release Guide](#)".

Specifications of SWXess interfaces

The adjusted [specifications of the affected SWXess interfaces](#) and further technical information can be found in the "[SMR11 – Release Guide](#)" and in the [Member Section](#) of SIX Swiss Exchange AG.

SIX Swiss Exchange AG continuously strives to expand and improve its range of services and products, as well as its SWXess trading platform. Our participants can benefit from the improvements of SMR11, which will ensure continued efficiency in trading on the exchange.
