Pages	2
Date	03.06.2024

Information 

Content of this message:

- SMR14 is a Maintenance Release of the SWXess trading platform with adjustments required in the SWXess interfaces
- The introduction of SMR14 is planned as follows:
 - Membertest environment on **16 September 2024** (Stage 1) and on **21 October 2024** (Stage 2)
 - Production environment on **9 December 2024**
- First publication of the "[SMR14 Release Guide](#)" and the updated specifications of the SWXess interfaces

SIX Swiss Exchange is introducing a further release of its SWXess trading platform as part of its ongoing optimization efforts. The SWXess Maintenance Release 14 (SMR14) contains **required** adjustments to the SWXess interfaces and its main purpose is to introduce enhancements and optimizations to trading on the exchange.

Introduction

The rollout of SMR14 to the Membertest and Production environment has been scheduled for the following dates:

Date	Activity
16 September 2024	Introduction of SMR14 (Stage 1) in the Membertest environment
21 October 2024	Introduction of SMR14 (Stage 2) in the Membertest environment
9 December 2024	Introduction of SMR14 in the Production environment

Release Guide and Specifications of SWXess Interfaces

With this message, SIX Swiss Exchange publishes the “[SMR14 Release Guide](#)” for the first time, providing information on the functional and technical changes for Membertest Stages 1 and 2 as well as [the specifications of the affected SWXess interfaces](#). The documents are available on the following websites:
