- Extension of the Application Period for the fee promotion on Active Product Packages for issuers of leveraged products
-

In the [SIX Swiss Exchange message no. 04/2026](#), SIX Swiss Exchange AG announced a fee promotion for issuers of leveraged products consisting of two consecutive Active Product Package (APP) upgrades of twelve (12) months each, as follows:

- APP Promotional Upgrade Year 1
- APP Promotional Upgrade Year 2

During each APP Promotional Upgrade period, SIX Swiss Exchange AG allows participating issuers to benefit from an upgrade to a higher APP at a lower cost or zero cost.

SIX Swiss Exchange AG is pleased to announce that the Application Period for the APP Fee Promotion for issuers of leveraged products has been extended by a further six (6) months from 1 November 2026 until 30 April 2027.

This extension provides both new and existing issuers with additional time to benefit from the promotional APP upgrade opportunities available under the programme.

All other terms and conditions of the APP Fee Promotion remain unchanged.

Further details on the current fee promotion can be found at the following link: [Fee Promotions](#)

Issuers interested in participating in this APP Fee Promotion may request a form from Member Services (member.services@six-group.com / +41 58 399 2473).

SIX Swiss Exchange AG strives to constantly adapt the fee models to reflect market requirements.
