### Investigation of db x-trackers SICAV by the SWX Swiss Exchange Ltd

SWX Swiss Exchange Ltd (SWX) has initiated an investigation of db x-trackers SICAV (Luxembourg) for a possible violation of the provisions of the Listing Rules. The reason for initiating the investigation is the late disclosure of the dividend distribution. The SWX was forced to temporarily suspend trading in the equity securities of db x-trackers SICAV. The duration of the investigation is indeterminate. The SWX will issue a statement about the results of the investigation in due time. No information will be disclosed as long as the investigation is under way.
