### SIX Group rolls out new Internet presence

**SIX Group has launched a new Internet site, featuring revised content and a new appearance. The website is a portal to the Group, providing significantly enhanced information all about SIX Group and its business fields, and includes news and job openings for the entire company.**

Changes have been made in all the content areas; the general section about SIX Group contains information on the company and its management and provides an overview of the available publications, including download options. It offers insights into the company's history and strategy, also examining the various aspects of corporate responsibility. Another section of the website provides details on SIX Group's business fields and activities and refers to more detailed information on the various group companies. The website contains information on the Group's conditions of employment, its corporate culture and details on current vacancies – something that may be of interest for anybody interested in working for SIX Group. Media representatives and those interested in keeping up to date with the latest SIX Group news can find all the Group's media releases in one place and can subscribe to media release RSS feeds. This section also contains dossiers, market news and a media kit.

In launching this new site, SIX Group aims to position its content in an up-to-date, well structured, and attractive manner and allow visitors access to useful functions. The site gives an overall view of the corporate group and the value it adds.
