### **Scoach Switzerland publishes first comprehensive market report for structured products**

**Scoach Switzerland, the exchange for structured products, today publishes its first Scoach market report. The market report is aimed at all investors, market participants and interested members of the public. It provides a comprehensive insight into trading, trends and changes in the Swiss market for structured products. By publishing the report, Scoach Switzerland is making a further contribution to increasing transparency in this market. The market report will be published monthly and can be read free of charge.**

The new Scoach market report provides clear insights into the movements, trends and changes in the Swiss market for structured products. It focuses on issues such as its exclusive buy-back statistics, a structured overview of issuers' listing and market making activities and a detailed breakdown of all trading turnover.

"By providing this information, we want to help increase the transparency of the Swiss market for structured products over the long term," commented Christian Reuss, CEO of Scoach Switzerland Ltd. "As a next step, we plan to offer market participants individual analyses on request, for example daily buy-back statistics."

The market report is published monthly and can be downloaded free of charge from [www.scoach.ch/marktreport](http://www.scoach.ch/marktreport) (only in German available). Scoach users who have registered at [www.scoach.ch/service](http://www.scoach.ch/service) will automatically be sent a copy of the report by e-mail.

Should you have any questions, please feel free to contact Stephan Meier, Media Relations.
