### SIX Swiss Exchange

SIX Swiss Exchange is a leading regulated securities exchange in Europe and unrivalled in the life science area. As a key pillar of the Swiss financial sector's infrastructure, it is an ideal listing location and helps create the best possible trading conditions, connecting investors, issuers and participants from across the world. SIX Swiss Exchange forms the efficient and transparent reference market for trading in its attractive segments of equities, bonds, Exchange Traded Funds (ETFs) and Exchange Traded Products (ETPs). It invests continually in high-performance exchange technology and achieves an optimal balance between innovation and stability, boasting the best availability record of all

venues in Europe. Its trading platform supports multiple currencies and features an impressive selection of modular connection options as well as low latency in the microsecond range and high capacity. As a reliable, well connected and highly engaged partner, SIX Swiss Exchange enables the success of its customers.

SIX Swiss Exchange calculates a wide range of indices – including Switzerland’s foremost equity index, the SMI®, further benchmarks such as the SLI® and SPI® as well as industry, bond and customer indices. SIX Swiss Exchange delivers its raw data to financial information providers in real time via SIX Exfeed. With holdings in Scoach, STOXX, Swiss Fund Data and Indexium, it is involved in successful joint ventures that benefit all financial market players.
