Network Service Interruption at SIX

As already outlined in our statement yesterday, there have been a number of network disruptions to our services. Though various services from different divisions have been affected, the processing of card payments has been particularly affected. It is possible that certain services may not be available today in the way we would wish them to be. We regret this situation and continue to focus our efforts on resolving the issues.

Should you have any questions, please feel free to contact Stephan Meier,
Head Media Relations.
