Network issues now rectified

As announced earlier today, the cause of the network problems that occurred over the past two days have now been identified and rectified by SIX. The systems operated by SIX have been stable all day and normal operations have been resumed.

SIX greatly regrets this incident and would like to apologize for the inconvenience caused.

Should you have any questions, please feel free to contact Stephan Meier,
Head Media Relations.

SIX

SIX operates the infrastructure underpinning the Swiss financial sector and offers a comprehensive range of services around the world in the fields of securities trading and settlement, financial information and payment transactions. The company is owned by its users (approximately 140 banks of various orientation and size). Its workforce of over 4,000 employees and presence in 25 countries throughout the world generated operating income of CHF 1.8 billion and a Group net profit of CHF 713.7 million in 2015.
