

1. Application domain

1.1 These Standard Terms and Conditions for Service Contract ("STC Services") form an integral part of each Service Contract ("Contract") concerning services (incl. IT services), especially in relation to consulting, planning, assistance and training ("Services").

1.2 The "SIX Code for Suppliers" (https://www.six-group.com/dam/about/downloads/responsibility/supplier_code_en.pdf) forms an integral part of these STC Services. Supplier shall be obliged to always act in full compliance with this code.

2. Realization

2.1 Supplier warrants and represents that it carries out its contractual obligations with all due care, skill and competence, and in so doing shall comply with all instructions and specifications issued by SIX in relation to the Service and perform all of its obligations in accordance with the then current state of technology, and applicable legal requirements. In case Supplier breaches these obligations gross negligently, Supplier shall be obliged to pay SIX a penalty in the amount of 20% of the contract value but not less than DDK 50'000. Supplier further warrants and represents that there are no outstanding actions which might affect Supplier's ability to provide the services.

2.2 Supplier shall submit reports to SIX on a regular basis concerning the Services. SIX has the right to audit and verify the status of the performance of the Contract and to demand information in that regard.

2.3 Supplier shall report promptly to SIX any circumstance or factor that could jeopardize provision of the Services.

3. SIX's obligation to cooperate

3.1 SIX shall communicate to Supplier, in good time, any requirements or other data that are relevant for the performance of the Contract. Insofar as Supplier considers necessary, any further provisions concerning SIX's duty to cooperate shall be included in the Contract.

3.2 SIX shall provide to Supplier any documentation and/or office space that may be reasonably necessary for performance of the Contract.

3.3 SIX shall grant Supplier access to the premises of SIX, insofar as is reasonably necessary for performance of the Contract.

4. Right to issue instructions

SIX shall be entitled, at any time, to issue instructions related to the contractual Services and Supplier shall be obliged to comply with such instructions.

5. Deployment of staff

5.1 For rendering the Services, Supplier shall deploy only carefully selected and appropriately qualified and trained staff who should be replaced (at the Supplier's own cost) where they have insufficient expertise or otherwise endanger performance of the Contract.

5.2 Each party shall provide the other party with the names and positions of essential supervisory and/or managerial personnel. Any replacement of such personnel shall be subject to prior written authorization of SIX.

5.3 Supplier shall only deploy staff with the authorizations required. Insofar as personnel of the Supplier have access to the IT systems of SIX (IT user account), Supplier shall, prior to

the relevant personnel accessing such systems, provision of that personnel's criminal records. In addition, Supplier shall inform the SIX procurement specialist involved with the Contract in writing immediately upon becoming aware of any entries in any of the Supplier personnel's respective criminal records and about any pending criminal proceedings of such personnel.

5.4 Nothing in the Contract will be treated as creating or establishing the relationship of employer or employee between SIX and Supplier or between SIX and any employee or other member of staff provided by Supplier or a third party appointed by Supplier pursuant to the terms of the Contract (an "Assigned Worker"). Supplier will be solely liable for the conduct of Assigned Worker and his or her compliance with the relevant provisions of the Contract. Supplier shall, or shall procure that a third party shall in respect of third party employees, effect and maintain in force for the benefit of SIX and itself full employers' liability insurance in respect of all such Assigned Workers.

6. Engagement of third parties

6.1 Any engagement of third parties (subcontractors) shall be subject to prior approval by SIX and shall be without prejudice to Supplier's obligation to assume full responsibility for supplying SIX with the Services in a contractually compliant manner.

6.2 Insofar as the agreed services include data processing on behalf of SIX, as of May 2018 Supplier shall prove beforehand that the subcontractor has implemented the required technical and organizational measures and has the necessary know-how in order to be able to fully adhere to the EU General Data Protection Regulation (EU-GDPR). In addition, Supplier shall contractually oblige the subcontractor and any involved employees of the subcontractor to strict confidentiality as well as to fulfill any other obligations arising from the EU-GDPR or any other applicable data protection legislation.

6.2 It is expressly declared that no rights shall be conferred under the Contract on any person other than SIX and Supplier, and no person other than SIX and Supplier shall have any right to enforce any term of the Contract (whether under the Contracts (Rights of Third Parties) Act 1999 or otherwise).

7. Training

Supplier shall assume responsibility for the provision of and for and the cost of initial training of SIX personnel, whereby the scope of such training shall be defined in the Contract.

8. Change requests

8.1 SIX shall be entitled to submit written change requests concerning the Services at any time. Within ten days following receipt of any such Change Request, Supplier shall submit to SIX a written notification indicating whether the requested change is realizable, any effect such change may have on any future Services, as well as the price and delivery dates thereof. Within ten days following receipt of said notification, SIX shall determine whether or not the Change in question will be implemented. Unless otherwise agreed, Supplier shall continue carrying out its Services according to the required plan set out in the Contract or otherwise agreed between the parties during the period in which any Change Request is being evaluated.

8.2 Supplier shall be prohibited from rejecting any Change Request insofar as the Change in question is practicable and does not alter the overall nature or characteristics of the Services.

8.3 Any Change Request of Supplier shall indicate in writing the reasons for said change.

8.4 Any change in any deliverable, price, delivery date, or contractual provision shall be subject to realization of an amendment to the Contract, agreed in writing between the parties. Any change in the price of the Services shall be calculated on the basis of the original price.

9. Default

9.1 Insofar as Supplier fails to meet any contractual delivery or performance deadline, SIX shall grant Supplier a reasonable grace period. Insofar as Supplier does not deliver the contractually stipulated services until end of grace period, Supplier shall automatically be deemed in default.

9.2 Insofar as Supplier defaults Supplier shall pay SIX a contractual penalty amounting to 0.2 percent of the remuneration under the Contract due per day of default, but not less than DDK 5'000 per day and not more than 20% of the remuneration under the Contract.

9.3 Payment of any such penalty shall be deducted from any damages Supplier is required to pay, but shall not relieve Supplier of any contractual duty whatsoever.

9.4 Insofar as Supplier defaults, SIX shall grant Supplier another reasonable grace period. Insofar as Supplier is still in default after the grace period, Supplier shall pay SIX a contractual penalty amounting to DDK 15'000 for each day of the additional grace period as well as for any further days of default and SIX shall be entitled to terminate the Contract in whole or in part.

10. Consequences of termination

On termination of the Contract, Supplier shall return to SIX immediately and without any additional costs all paper and electronic documentation and data related to the Contract and shall retain no copy of such data and/or documentation. Supplier shall also return to SIX all technical equipment received from SIX under the Contract.

11. Intellectual property rights

11.1 Any intellectual property rights (intangible property and related rights; "Rights") produced by Supplier pertaining to the Services and any Deliverables, belong to SIX immediately upon creation. The foregoing shall apply in particular to any documentation or evaluation that is elaborated in printed or machine readable form, and in particular to any source code, programs, analysis, design and/or program documentation, as well as to any data that is stored on any storage medium whatsoever. SIX shall therefore be entitled to use the Deliverables in any manner whatsoever, including for the purpose of modifying, copying, and/or commercializing them as well as assigning them to a third party. Insofar as Supplier has involved a subcontractor when performing the contract and some of the Rights pertaining to the Services have been produced by the subcontractor, Supplier shall be accountable for ensuring that the subcontractor assigns these rights to SIX. SIX may grant Supplier rights to use the Deliverables produced under the Contract.

11.2 Any pre-existing Rights shall remain in force and owned by the applicable party. Supplier shall inform SIX about any of its pre-existing Rights that it owns. With respect to pre-existing Rights appertaining to parts of the Deliverables, SIX shall receive a perpetual, irrevocable, non-exclusive, royalty-free, transferrable right to use without restrictions in terms of time, space and substance, which grants SIX the possibility to use and dispose of the Deliverables within the meaning of clause 11.1 and to receive the benefit of the Services. Supplier undertakes not to establish any Rights based on those pre-existing Rights which might interfere with or otherwise negatively impact the licence granted to SIX in accordance with the Contract. In particular, supplier undertakes to transfer or license these rights only subject to the rights of use of SIX.

11.3 Payment by SIX shall constitute compensation for the assignment and licensing of Rights to SIX under this clause.

11.4 Both parties retain the right to use and dispose of ideas, processes and methods that are not legally protected as well as jointly developed know-how.

11.5 The Supplier shall at its expense execute all documents and do all such acts as SIX may require to perfect such assignment of intellectual property rights.

12. Breach of intellectual property rights

12.1 Supplier warrants and represents that performance of the Service and provision of the Deliverables does not infringe the Rights of any third parties.

12.2 Supplier shall, at its own expense, risk and without delay, defend SIX against claims by third parties concerning breach of Rights. Should a third party initiate proceedings against Supplier, Supplier shall without delay inform SIX in writing. If the third party asserts claims directly against SIX, SIX shall notify Supplier promptly in writing and Supplier shall, upon first request of SIX and to the extent possible under the relevant code of procedure, participate in the lawsuit. If possible, SIX shall give Supplier sole control over the defense thereof, and of any process related to reaching an out of court settlement of such claim. Supplier shall indemnify and hold harmless for any costs and damages (including compensation for damages) incurred by SIX in connection with any such claim.

12.3 If, pursuant to the Rights asserted, SIX is unable to use the contractually owed Deliverables in whole or in part, Supplier has the option of changing its Deliverables in such a way that they do not breach the Rights of third parties but nonetheless comply with the contractually owed Deliverables. If Supplier fails to change the Services within a reasonable period, SIX may terminate the Contract with immediate effect and, without prejudice to its other rights under the Contract or under applicable law, obtain a full refund of any fees paid in respect of the relevant Deliverables.

13. Security regulations

13.1 Insofar as Supplier accesses the premises of SIX and/or any SIX data and information systems, Supplier shall comply with all applicable SIX access or security regulations.

13.2 Supplier shall procure that all Supplier personnel and third parties involved in performing the Contract abide by the access and security regulations. In particular, Supplier shall procure that all personnel of Supplier, and all personnel of third parties appointed by Supplier pursuant to the terms of the Contract, and in each case who spend time in the premises of SIX and who handle business information and data as well as computer equipment and documentation shall sign the form "Rules of behavior for external personnel" (to be found on http://www.six-group.com/dam/about/downloads/terms-conditions/rules_external_personnel_en.pdf). Supplier shall keep the signed forms on file and hand over to SIX on first request.

13.3 Insofar as Supplier or a third party appointed by Supplier accesses the information systems of SIX, SIX shall have the right to monitor, record and evaluate Supplier's or such third party's activities in the information systems.

13.4 Any breach by Supplier of this clause 13 shall be deemed to be a default for the purposes of clause 9.

14. Prices and terms of payment

14.1 Supplier shall provide the Services either at fixed prices or on a cost per service basis subject to a maximum amount as set out in the Contract.

14.2 SIX assumes 8 working hours per working day. However, SIX expects a commitment to work that is in line with professional business standards and if required, to work more than 8 working hours per day. Additional working hours may not be charged. If Supplier works less than 8 hours per day, only the actual working hours are to be charged. Travel time shall not be regarded as working hours.

14.3 Any statements in timesheets deviating from rules agreed upon in the contract or these STC Services shall only be valid if they have been approved by SIX procurement in writing.

14.4 The prices for the Services shall include the cost of all elements that are necessary in order to perform the Contract. All prices shall be stated exclusive of VAT.

14.5 Charges and VAT shall be itemized on all invoices that are issued to SIX.

14.6 SIX shall make payment of any amount owed within thirty (30) days following receipt of the invoice.

14.7 In the event of non-payment in whole or in part of any sum due by SIX under the Contract within 30 (thirty) days of the due date for payment thereof, Supplier shall be entitled to charge interest on the outstanding sum unpaid from the due date until the actual date of payment (as well after as before decree or judgment) at a rate of 5% per annum.

15. Non-disclosure

15.1 Supplier shall keep confidential all information, documentation and data that are acquired by Supplier in connection with the process of provisioning the contractual Services, and shall in particular be prohibited from making confidential information available or accessible to any third party or otherwise disclosing Confidential Information. The foregoing shall also apply to any information that falls within the scope of banking or financial infrastructure secrets.

15.2 Supplier shall advise all personnel involved in performing the Contract (including personnel of third parties appointed by Supplier pursuant to the terms of the Contract) of said personnel's obligation to keep business, banking and financial infrastructure secrets confidential, and shall procure that said personnel abide by this covenant. Supplier shall in particular procure that all such personnel sign the non-disclosure declaration of SIX, which shall form an integral part of the Contract (non-disclosure declaration to be found on http://www.six-group.com/dam/about/downloads/terms-conditions/confidentiality_statement_en.pdf). All such signed documents shall be kept on file by Supplier and handed over to SIX on first request.

15.3 A contractual penalty in the amount of the contract value, but not less than DDK 100'000, shall be imposed on Supplier for any breach of clause 15.

15.4 The confidentiality obligations predate conclusion of the Contract and persist after termination of the contractual relationship.

15.5 This non-disclosure obligation shall prevail over pre-existing obligations of non-disclosure.

15.6 SIX shall have the right to disclose the content of the contract to other SIX Group companies.

16. Processing of Personal Data

16.1 If Supplier Processes Personal Data in the course of performing the Contract, it shall be responsible for compliance with all applicable data protection law, in particular the Data Protection Act 1998 prior to 25 May 2018 and, thereafter, the EU General Data Protection Regulation and all related applicable protection laws (together the "Data Protection Laws"). This includes in particular the right of disclosure as well as correction, deletion and portability of data of Data Subjects.
