### **Cash Clearing Platform: Phase 2 – Migration of Nordic Members to SECOM platform**

#### **1. Overview**

Following the successful implementation of the new hybrid risk model in Phase 1, we are pleased to announce the launch of Phase 2. As part of this phase, Nordic Members will migrate from the SIX Clearing Platform (SCP) to the SECOM platform.

#### **2. Effective date**

3 November 2025

#### **3. Impact on participants**

The current configuration of Nordic Members on SCP will be replicated on SECOM. The MT536 reports to Members will show the SECOM clearing account instead of the SCP account.

The test system is now available for Nordic Members to begin testing. If you wish to do so, please contact your Relationship Manager.

Members already connected to SECOM will not be affected by this migration.

#### **4. Details**

Following the migration, Nordic Members will be able to clear and settle in all markets.

The reports can be found at [www.six-group.com](http://www.six-group.com) > Products & Services > Securities Services > Clearing Services > Info Center > Member Reporting.

The BP Specs can be accessed at [www.six-group.com](http://www.six-group.com) > Login > Clearing Member Section > Interface Specification > SECOM > SECOM Interface Specification (Volume 5).
