

FrontLine SIX x-clear AG

OneChronos

SIX x-clear expanding its trading venue coverage to include OneChronos

1. Overview

SIX x-clear AG (SIX x-clear) is pleased to announce that it will provide CCP clearing services to the multilateral trading facilities OneChronos EU and OneChronos UK (OneChronos MTFs) in an interoperable arrangement. SIX x-clear has completed the technical implementation of the service and is preparing for its launch at the beginning of July 2026.

2. Effective date

6 July 2026 (depending on the actual go-live of the MTFs)

3. Impact on participants

The launch will only affect Members interested in becoming trading members on OneChronos MTFs.

Members wishing to clear trades on OneChronos MTFs through SIX x-clear can initiate the application process by contacting their Relationship Managers or the SIX Post-Trade Onboarding team (solutions.onboarding@six-securities-services.com), who will be happy to provide the necessary support.

4. Details

OneChronos MTFs will use the following operational MICs which will be reported to the Members in the relevant reports and messages: OCXL for OneChronos UK MTF and OCXE for OneChronos EU MTF.

The instrument universe is not expected to include any new instruments that are not currently cleared by SIX x-clear.

5. Contact

For further information relating to this FrontLine, please contact your Relationship Manager. The contact details can be found in the list of SIX SIS contacts published at www.six-group.com > Login > Securities Services Private > Contacts > SIX SIS > List of SIX SIS contacts.

In this context, SIX x-clear AG draws the Members' attention to **clause 7.7, chapter 14 and 15** of the Rulebook of SIX x-clear AG stipulating that the Member is responsible for compliance with the applicable laws (in particular domestic and foreign tax, foreign exchange and stock market regulations as well as with company law and articles of association) with respect to the Clearing services obtained from SIX x-clear AG.
