

Form for the Routing Instructions Service

to the bLink Platform Participation Contract

Service Provider Details

Company: _____

Postal code, city: _____

1. Definitions

The following definitions are used in this document:

Service User	Obtains the API Service.
Service Provider	Provides the API Service.
Participant	The Participant is the contractual partner of SIX in the bLink Platform Participation Contract. The Participant assumes the role of either Service Provider or Service User in the application agreement.

2. Routing Instructions

This form allows the service provider to create a new routing instruction or delete an existing routing instruction (Section 5).

Using a routing instruction, a service provider instructs SIX BBS Ltd ("SIX") – the platform operator – not to forward service calls from one or more service users to the service provider in question.

The service users affected by a routing instruction can use an API call to check which service provider issued the routing instruction.

3. Deadline

The form must be correctly filled out, signed and received at the address listed under "contact details" by e-mail or by mail at least one calendar week before the requested activation or deletion of the routing instruction.

4. Prices

The Routing Instructions service is invoiced to the service provider on a monthly basis in accordance with the current bLink platform price list.

6. Legally Valid Signature

The service provider confirms the correctness and completeness of the information provided in this document with a legally valid signature.

Electronic signatures inserted via DocuSign are equivalent to the written form and are considered formally valid.
