3.2 A Clearing Administrator’s responsibility for an X-CLEAR Client

A Clearing Administrator shall comply with the framework of the regulations and conditions of the Contract for X-CLEAR Client (English Law) and shall on a continuing basis throughout the duration of the Contract for X-CLEAR Client (English Law):

4.0 Suspension

4.1 Reasons for suspension

Notwithstanding its contractual duty to provide Clearing Services, X-CLEAR shall be entitled at its own discretion to suspend its Clearing Services for a Member and/or an X-CLEAR Client by not accepting respectively not novating Trading Platform Transactions (be it by Open Offer or Novation – see chapter 12.0 Formation and cancellation of Single Contracts) for such period of time as X-CLEAR deems necessary if X-CLEAR has reason to believe that:

a. the Member was granted Membership or the X-CLEAR Client was granted X-CLEAR Client status on the basis of inaccurate information;

b. the Member no longer satisfies the Membership criteria or any particular Membership condition as prescribed in clauses 2.1, 2.2 and 2.3, or the X-CLEAR Client or its Clearing Administrator no longer satisfies any particular condition as prescribed in clauses 3.1 or 3.2;

4.2 **Consequences of suspension**

Upon suspension the Member shall immediately refrain from entering into further Trading Platform Transactions on behalf of itself or any X-CLEAR Clients for which it is a Clearing Administrator, that would be subject to Clearing by X-CLEAR. X-CLEAR shall not enter into any Single Contracts with such Member or any X-CLEAR Clients for which it is a Clearing Administrator, for the duration of the suspension and, accordingly, any Trading Platform Transactions entered into by a suspended Member, on behalf of itself or any X-CLEAR Clients for which it is a Clearing Administrator, shall not result in corresponding Single Contracts (or Inter-CCP Contracts, if applicable) and shall not be subject to Clearing by X-CLEAR. Trading Platform Transactions concluded prior to the suspension shall not be affected by any suspension and shall continue to be subject to Clearing and Settlement (subject to the application of the provisions relating to Member Default – see chapter 27.0 – where relevant).

To the extent the Clearing Administrator enters into Trading Platform Transactions on any Trading Platforms on behalf of the X-CLEAR Client after the time of the suspension, the Clearing Administrator shall be fully liable for such Trading Platform Transactions towards X-CLEAR.

c. liable to X-CLEAR for all obligations arising under Single Contracts and all obligations incurred before, during or after such suspension including, but not limited to, obligations to deposit and maintain Margin and Default Fund Contributions (if applicable).

The suspension of an X-CLEAR Client shall not limit or affect the Clearing Administrator’s liability towards X-CLEAR for the X-CLEAR Client.
4.4 Notification of suspension

X-CLEAR shall notify the Member subject to a suspension. Such notification shall be given in advance of the period of such suspension whenever possible and appropriate. X-CLEAR shall also inform the relevant Trading Platform(s) of the suspension of any Member.

5.6 Consequences regarding Single Contracts

Single Contracts concluded prior to the termination of Membership or the termination of a Contract for X-CLEAR Client (English Law) will continue to be subject to Clearing, except when there has been a Default, in which case the rules set out in clause 28.0 shall apply. After termination of Membership of a Member or the termination of a Contract for X-CLEAR Client (English Law), X-CLEAR will not accept any new Single Contracts for Clearing to which such Member purports to be a party, or any X-CLEAR Clients for which it is a Clearing Administrator. Furthermore, where a notice of termination has been given pursuant to clause 5.1, further Single Contracts shall only be accepted for Clearing on or prior to the tenth Business Day before the last day of Membership.

5.7 Notification of termination of the Membership

6.0 Regulations with regard to the NCM

6.1 Relationship of X-CLEAR with the NCM

A Trading Platform Member shall not be obliged to become a Member. It may, however, enter into a GCM/NCM Agreement with a GCM and be given the status of an NCM (Non-Clearing Member).

An NCM participates in the Clearing of the Trading Platform Transactions it has concluded within the framework of the regulations and conditions of the GCM/NCM Agreement (pursuant to clause 6.2) via the GCM it has specified. Within the ongoing Clearing process, the NCM thus has no direct contractual relationship with X-CLEAR and X-CLEAR shall accept no direct responsibility vis-à-vis the Member for losses or claims of any kind. This shall be clearly defined in the GCM/NCM Agreement and shall be accepted by the NCM – unless the NCM, as an option with respect to the possible Default of the GCM, applies for its own (subsidiary) Membership (pursuant to clause 28.1.3 lit. d).
6.2 Relationship of the GCM with the NCM

Within the ongoing Clearing process, the GCM acts towards X-CLEAR as principal and not as an agent on behalf and for the account of the NCM.

In relation to the selection of account segregation pursuant to clause 20.0 and the selection and issuance of orders pursuant to clauses 28.1.3 and 28.1.4 (with respect to the possible Default of the GCM), the GCM acts towards X-CLEAR as an agent on behalf and for the account of the NCM on the basis of the authorisation granted to it by the NCM in the GCM/NCM Agreement.

The GCM shall conclude a GCM/NCM Agreement with each NCM linked to it. The GCM shall ensure that each GCM/NCM Agreement into which it enters with an NCM correctly contains all of the elements listed in Annex 2 and shall give them due consideration. In particular, the GCM/NCM Agreement shall govern the authorisation of the GCM as the agent of the NCM with regard to i) the selection of account segregation (pursuant to chapter 20.0) as well as ii) the selection of the option to be carried out in the event of the possible Default of the GCM (pursuant to clause 28.1.3). For this purpose, the GCM shall submit to X-CLEAR the form that has been co-signed by the NCM (pursuant to the schedule to the GCM/NCM Agreement in Annex 2).

In the case of individual client account segregation (pursuant to chapter 20.0), the GCM shall request from the NCM at least the same level of Margins (equivalent value) as the GCM based on the Contractual Relationship must provide Margin to the Collateral Accounts for the net obligations of the NCM (“pass-through principle”).

6.3 Contractual obligations of the GCM vis-à-vis X-CLEAR

The GCM shall submit to X-CLEAR a copy of the authorisation(s) pursuant to clause 6.2 and inform X-CLEAR immediately of any revocation thereof. The current status of the GCM/NCM Agreements shall be confirmed to X-CLEAR on an annual basis.

In the case of individual client account segregation,

a. the GCM shall inform X-CLEAR of the names, addresses and contact details of the NCMs linked to it. X-CLEAR shall be notified of any new NCMs, changes or departing NCMs in advance, however 10 Business Days at the latest before these become effective. The GCM shall also notify X-CLEAR of any major changes to a GCM/NCM Agreement which are essential for Clearing Services by X-CLEAR.

b. the GCM shall, as the agent of the NCM, issue to X-CLEAR the order that the Margin requirement needed for each NCM be calculated separately and agrees that this will be charged to it.

12.0 Formation and cancellation of Single Contracts

12.1 General

Single Contracts with X-CLEAR under these GTC Norwegian Branch are formed by acceptance of the Open Offer or Novation. Annex 1 defines per Trading Platform which process is applicable for clearing of the respective Trading Platform Transactions by X-CLEAR. Subject to this definition either clauses 12.2, 12.3 and 12.4 or clauses 12.5 and 12.6 apply.

12.2 Open Offer by X-CLEAR

Subject to chapters 7.0 and 14.0, and in an instance where both Trading Platform Members that are party to a Trading Platform Transaction are either GCMs, ICMs or NCMs, X-CLEAR makes an Open Offer to each Member (which, pursuant to the relevant GCM-NCM Agreement, in relation to an NCM, is made to the GCM acting as principal on its behalf on a back-to-back basis) in respect of the Trading Platform Product to which

the Trading Platform Transaction relates. At the moment that a Trading Platform Transaction arises, the Open Offer shall be deemed to have been accepted by each Member (which, in relation to an NCM, refers to the GCM acting as principal on its behalf on a back-to-back basis pursuant to the relevant GCM-NCM Agreement) whereupon two Single Contracts shall arise automatically by way of acceptance of the Open Offer between:

(i) X-CLEAR and the Selling Member (as the case may be) where X-CLEAR will assume the role of buyer of the Trading Platform Product to which the Trading Platform Transaction relates, and

(ii) X-CLEAR and the Buying Member (as the case may be) where X-CLEAR will assume the role of seller of the Trading Platform Product to which the Trading Platform Transaction relates.

12.3 **Open Offer in case of election of a Co-CCP by counterparty**

Subject to chapters 7.0 and 14.0, and in an instance where one Trading Platform Member that is party to a Trading Platform Transaction is a GCM, ICM or NCM and the counterparty to the same Trading Platform Transaction, being a Trading Platform Member, has elected for a Co-CCP (if any) to act as Central Counterparty (whether by virtue of that Trading Platform Member’s agreement with a Co-CCP GCM or otherwise), X-CLEAR makes an Open Offer to the Member (which, in relation to an NCM, is made to the GCM acting as principal on its behalf on a back-to-back basis pursuant to the relevant GCM-NCM Agreement) in respect of the Trading Platform Product to which the Trading Platform Transaction relates. At the moment that a Trading Platform Transaction arises, the Open Offer shall be deemed to have been accepted by the Selling Member or Buying Member, whereupon:

(i) a Single Contract shall arise automatically by way of acceptance of the Open Offer between X-CLEAR and the Selling Member or Buying Member where X-CLEAR will assume the role of buyer or seller of the Trading Platform Product (except for Trading Platform Products where X-CLEAR will assume the role as Guarantor) to which the Trading Platform Transaction relates, respectively, and

(ii) an Inter-CCP Contract shall arise between X-CLEAR and the Co-CCP pursuant to and subject to the relevant Link Agreement where X-CLEAR will assume the role of buyer or seller (as applicable) of the Trading Platform Product to which the Trading Platform Transaction relates.
12.4 Conditional Open Offer for specific Trading Platform Products

The Open Offer made by X-CLEAR in relation to a specific Trading Platform Product may be conditional on specific conditions being met, or X-CLEAR's acceptance. Any conditions to an Open Offer shall be specified in Annex 1 and the Clearing Terms. In case of conditional Open Offer the formation of Single Contracts shall take place as set out in clause 12.2 or 12.3 provided, however, that the Single Contracts shall arise automatically upon X-CLEAR’s recognition that the conditions for Clearing have been met.

12.5 Novation in case of Members

Subject to chapters 7.0 and 14.0, and in an instance where both the Trading Platform Members that are party to a Trading Platform Transaction are either GCMs, ICMs or NCMs, Single Contracts shall arise between X-CLEAR and each Member by way of Novation in respect of the Trading Platform Product to which the Trading Platform Transaction relates. Novation shall occur at the moment that a Trading Platform Transaction arises. Where the Single Contract is between X-CLEAR and a GCM, the GCM shall be regarded as acting as principal on behalf of the relevant NCM pursuant to the GCM-NCM Agreement. At the moment of Novation, two Single Contracts shall arise automatically between:

(i) X-CLEAR and the Selling Member where X-CLEAR will assume the role of buyer of the Trading Platform Product to which the Trading Platform Transaction relates, and

(ii) X-CLEAR and the Buying Member where X-CLEAR will assume the role of seller of the Trading Platform Product to which the Trading Platform Transaction relates.

12.6 Novation in case of a Member and a member of a Co-CCP

Subject to chapters 7.0 and 14.0, and in an instance where one Trading Platform Member that is party to a Trading Platform Transaction is a GCM, ICM or NCM and the counterparty to the same Trading Platform Transaction, being a Trading Platform Member, has elected for a Co-CCP, if any, to act as Central Counterparty (whether by virtue of that Trading Platform Member’s agreement with a Co-CCP GCM, if any, or otherwise), a Single Contract shall arise between X-CLEAR and the Member by way of Novation in respect of the Trading Platform Product to which the Trading Platform Transaction relates. Novation shall occur at the moment that an Inter-CCP Contract arises. An Inter-CCP Contract shall arise between X-CLEAR and the Co-CCP pursuant to and subject to the relevant Link Agreement where X-CLEAR will assume the role of buyer or seller, as applicable, of the Trading Platform Product to which the Trading Platform Transaction relates. Where the Single Contract is between X-CLEAR and a GCM, the GCM shall be regarded as acting as principal on behalf of the relevant NCM.

At the moment of Novation a Single Contract shall arise automatically between X-CLEAR and the Selling Member or Buying Member, as applicable, where X-CLEAR will assume the role of buyer or seller of the Trading Platform Product to which the Trading Platform Transaction relates, respectively.

12.7 Formation of Single Contracts in connection with Delivery Settlement of Derivative Products

At the end of each Business Day X-CLEAR shall calculate the Net Delivery Settlement obligation for each Member (whether or not acting as a Clearing Administrator) and its X-CLEAR Clients (if any). The Net Delivery Settlement obligations will be netted based on type of Underlying Instrument and strike price. Upon notification of the Net Delivery Settlement obligations one or several Single Contracts in Equity Products shall automatically arise by way of acceptance of the Open Offer between X-CLEAR and each Selling Member and each Buying Member (either of which being the Member itself (whether or not acting as a Clearing Administrator) if it is authorised to clear in the Equity Segment, or another Member with authorisation to clear in the Equity Segment which is appointed by the Member) where X-CLEAR will assume the role of buyer or seller of the Underlying Instrument to which the Settlement instruction for the Net Delivery Settlement relates, respectively. Through the creation of the Single Contracts deriving from the Net Delivery Settlement obligations the corresponding Single Contracts in Derivative Products will be finally settled.

12.8 Single Net Contracts in Equity Products

At the end of each Business Day, X-CLEAR will, for each Segregated Account, aggregate and net all Single Contracts in Equity Products with identical ISIN and with the same Intended Settlement Date into a Single Net Contract (or several Single Net Contracts in case of strange nets). Through the creation of the Single Net Contract, the original Single Contracts are finally settled (provided, however, that Single Contracts may be avoided or cancelled as set out in chapter 14.0).

12.9 Net Position Contracts in Derivative Products

Single Contracts in Derivative Products with the same ISIN registered on a Segregated Account will automatically be accumulated and netted into a single Net Position Contract immediately upon the formation of a new Single Contract in accordance with clause 12.2 or 12.3. Through the creation of the Net Position Contract, the netted Single Contracts are finally settled (provided, however, that Single Contracts may be avoided or cancelled as set out in chapter 14.0). b. Equity Products

Where, in respect of a Trading Platform Product in Equity Products, there is an entitlement to receive interest, dividends and any other distributions, such rights (referred to as "Entitlements" for the purposes of this clause) shall also form part of the Single Contract, provided that the Single Contract is formed before such Entitlement has expired. Where the Single Contract is formed on or after the expiry of an Entitlement, the Entitlement shall not form part of the Single Contract. Where income earned by the Buying Member, the Buying X-CLEAR Client (or the Co-CCP, if applicable and as buyer) accrues to the Selling Member or the Selling X-CLEAR Client (or the Co-CCP, if applicable and as seller) as a result of late delivery of the Trading Platform Product in Equity Products, it shall be a term of the Single Contract that the Selling Member or the Selling X-CLEAR Client (or the Co-CCP, if applicable and as seller) is subject to an obligation to transfer the value accruing under the Entitlement to the Buying Member or the X-CLEAR Client (or the Co-CCP, if applicable and as buyer). 15.10 **Contract Terms**

The Contract Terms constitute the whole agreement between X-CLEAR and the Member, or X-CLEAR and the X-CLEAR Client with respect to a Single Contract and supersede any previous arrangement, understanding or agreement between them relating to the subject matter of a Single Contract. The Member and the X-CLEAR Client each individually, represents and warrants to X-CLEAR that, in entering into each Single Contract, it does not rely on any statement, representation, assurance or warranty of X-CLEAR or any other Person other than as expressly set out in the Contract Terms. The Member and the X-CLEAR Client each individually, agrees that the only rights and remedies available to it arising out of or in connection with a Single Contract or their subject matter shall be solely in contract (and not in tort or otherwise), in accordance with the Contract Terms. f. the Member has full power and all necessary authority to enter into the Single Contract and perform any act that may be required pursuant to the Single Contract and pursuant to the Contractual Relationship in respect of the Single Contract; and

g. a GCM-NCM agreement is in place (if the Member is a GCM) with an NCM in respect of whom it acts as a Member in relation to any Single Contract. Representations and warranties by X-clear Client

In relation to each Single Contract the X-CLEAR Client makes the following representations and warranties as at the formation of each Single Contract and also on a continuing basis throughout the duration of such Single Contract, or any Single Contract resulting from several Single Contracts, that:

a. it is acting as principal and not as agent;

b. neither the execution nor performance of the Single Contract by or on behalf of the X-CLEAR Client or X-CLEAR will breach or conflict with any provision of the constitutional or other organisational document of the X-CLEAR Client, or with any agreement or Applicable Law which is binding upon or affects the X-CLEAR Client (and in this respect the X-CLEAR Client further acknowledges that X-CLEAR will neither review nor be responsible for reviewing any provision of the X-CLEAR Client’s constitutional or other organisational document, any agreement to which the X-CLEAR Client is party or which affects it or any Applicable Law which is binding upon or affects the X-CLEAR Client with a view to determining the authority or ability of the X-CLEAR Client to enter into or perform any Single Contract);

16.0 Permissible Collateral

16.1 Provision of Permissible Collateral by Members

The provision and transfer of Permissible Collateral shall be effected in accordance with the Financial Collateral Agreements, their Amendment Agreements, the Clearing Terms and the Lending Norms.

As security for its liabilities in respect of Outstanding Contracts, each X-CLEAR Client is required to provide Permissible Collateral by way of Margin and shall meet Margin calls if X-CLEAR considers the Permissible Collateral provided by the X-CLEAR Client to be insufficient, and such provision of Permissible Collateral shall be provided in
accordance with and subject to the Financial Collateral Agreements, their Amendment Agreements, the Clearing Terms and the Lending Norms.

16.2 **Administration, proceeds and corporate actions**

Responsibility for administering the Permissible Collateral shall rest with X-CLEAR.

The following rules shall apply when Intermediated Securities are provided by the Member as Permissible Collateral and are booked on the Collateral Accounts of X-CLEAR:

a. X-CLEAR shall be the holder of the participation rights (taking part in the annual general meeting, voting rights and rights of election) attached to the Intermediated Securities booked to the Collateral Accounts of X-CLEAR. If the Member wishes to exercise such participation rights, it must replace the relevant Intermediated Securities required for the exercise of such rights with Permissible Collateral of the same value within a reasonable period of time prior to the exercise of any participation rights. X-CLEAR shall not be liable for any loss suffered by the Member as a result of it being unable to exercise participation rights.

b. All earnings (dividends, interest, and premiums) due on as well as any liquidation proceeds in respect of Intermediated Securities booked to the Collateral Accounts of X-CLEAR shall entitle the Member to compensation payments from X-CLEAR of the same value (in the respective currency) of such earnings or proceeds, less any withholding tax and any expenses or charges actually incurred.

c. X-CLEAR shall be the holder of options, pre-emption rights and other rights (together, the “Attached Rights”) relating to the Intermediated Securities booked to the Collateral Accounts of X-CLEAR and shall inform the relevant Member of the existence of any attached rights. Where the attached right embodies a choice, the Member may issue instructions to X-CLEAR regarding the exercise of such choice, but must replace the relevant Intermediated Securities to which the attached right relates with Permissible Collateral of the same value within a reasonable period of time prior to the exercise of such attached right.

If the Member does not wish to exercise its right to issue instructions in relation to pre-emption rights, then such rights will normally be credited to the Member, unless credit entry is impossible, in which case compensation shall be paid to the Member on the basis of the average market value of these rights on the last trading day on the relevant Trading Platform before expiry of the pre-emption period.

X-CLEAR shall not be liable for any loss suffered by the Member as a result of it being unable to exercise pre-emption rights. If distributions in respect of
Intermediated Securities transferred as Permissible Collateral are in the form of Intermediated Securities, X-CLEAR shall return these additional Intermediated Securities when the relevant Permissible Collateral is released.

17.0 Taxation of Permissible Collateral

The following rules shall apply:

a. In the case of Permissible Collateral provided by Swiss Members in the form of Intermediated Securities of Swiss issuers, X-CLEAR gives an assurance that the transfer of the Intermediated Securities as Permissible Collateral does not trigger Swiss transfer stamp taxes or Swiss withholding tax. The transfer of Intermediated Securities does not constitute a transfer of deed against consideration within the meaning of Article 13 (1) of the Swiss Federal Act on Stamp Duty. Beneficial ownership of the Intermediated Securities of Swiss issuers according to Article 21 ff. of the Swiss Federal Act on Withholding Tax remains with the Swiss Members. It rests with the Swiss Members to secure the refund of the withholding tax. The provisions of this sub-clause let. a. shall apply as long as the Permissible Collateral is not realised.

b. In the case of Permissible Collateral provided by non-Swiss Members in the form of Intermediated Securities of Swiss issuers, the Member accepts that (i) any taxes on the transfer of Intermediated Securities to X-CLEAR are to be borne by the Member; (ii) any additional withholding tax burden is to be borne by the Member; and (iii) X-CLEAR is not liable for any reduction or impairment of a refund of withholding tax payments made on such Intermediated Securities.

c. A Member wishing to use Intermediated Securities of non-Swiss issuers as Permissible Collateral for Margin, shall clarify the tax consequences (such as withholding tax or transfer stamp taxes) in respect of these Intermediated Securities of non-Swiss issuers. A Member who deposits Intermediated Securities of non-Swiss issuers as Permissible Collateral in spite of any potentially adverse tax consequences accepts that (i) any taxes on the transfer of securities to X-CLEAR are to be borne by the Member; (ii) any additional withholding tax burden is to be borne by the Member; and (iii) X-CLEAR is not liable for any reduction or impairment of a refund of withholding tax payments made on such Intermediated Securities.

d. The Member shall be liable to X-CLEAR for any further tax charges (including, without limitation, corporate income taxes) incurred either by the Member or X-CLEAR as a result of the provision of Permissible Collateral in addition to the tax consequences cited under paragraphs a. to c. above. The same holds true for any further tax charge in case Permissible Collateral must be realised.
18.0 Realisation of Permissible Collateral and X-CLEAR’s Dedicated Capital Contribution

18.1 General Rules

The kind of provision, administration and realisation of the Permissible Collateral is primarily agreed and regulated in the Financial Collateral Agreement (bilaterally with the individual Member).

In case of realisation of Permissible Collateral, X-CLEAR shall be entitled to realise the Permissible Collateral provided by the Member and booked to the Collateral Accounts and to use the proceeds of any realisation as specified in the Financial Collateral Agreements, their Amendment Agreements and the Contractual Relationship.

In the event of Default of an X-CLEAR Client, X-CLEAR shall be entitled to realise the Permissible Collateral and any other collateral provided by the X-CLEAR Client as Margins.

18.2 Order of realisation of collateral (“Waterfall of Resources”)

In the event of Default of a Member, X-CLEAR shall realise the Permissible Collateral provided as Margins and Default Fund Contributions and its own funds (“Layers of Collateral”) in the following order:

1. Permissible Collateral provided by the Defaulting Member to satisfy its Margin obligations and equivalent obligations in respect of Single Contracts subject to clearing by X-CLEAR (pursuant to the Financial Collateral Agreement for Margins);

2. Default Fund Contributions of the Defaulting Member to the relevant Default Fund (pursuant to the Financial Collateral Agreement for the Default Funds);

3. Dedicated Capital of X-CLEAR, as defined in clause 18.3 X-CLEAR’s Dedicated Capital Contribution hereafter);

4. Default Fund Contributions made by non-defaulting Members to the relevant Default Fund Segment (pursuant to the Financial Collateral Agreement for the Default Funds);

5. Amendment AgreementStop-up Contributions made by non-defaulting Members (pursuant to the Financial Collateral Agreement for Default Funds and its Amendment Agreements); and

6. the remainder of X-CLEAR’s own reserves and capital.

18.3 X-CLEAR’s Dedicated Capital Contribution

Before using Default Fund Contributions of non-defaulting Members X-CLEAR shall make an own contribution (the “Dedicated Capital Contribution”) to cover losses caused by a Member Default.

The Dedicated Capital Contribution is determined as a percentage of the required capital, whereas the latter is assessed pursuant to the provisions of the Swiss Financial Market Infrastructure Ordinance (FMIO) and the Swiss Capital Adequacy Ordinance, and is published on the website of SIX > Exchange & Services > Go to Securities Services > Clearing in the last Annual Report.

X-CLEAR fixes the Dedicated Capital Contribution at a minimum of 25% of the required capital.

X-CLEAR shall make a Dedicated Capital Contribution for the entire amount (totalling 25 per cent of its required capital) only once in a period of 1 (one) month following any Member Default which necessitated the use of such contribution (“Cooling-off Period of X-CLEAR”). After any use of the Dedicated Capital Contribution X-CLEAR shall reinstate its own reserves (part of capital of X-CLEAR) to the extent as required by the Swiss Applicable Laws within the period of time determined by FINMA/SNB. Clarification: For the Cooling-off Period caused by a Member Default and the Cooling-off Period caused by an Other Loss Event (Clause 18.4 X-CLEAR’s NDL Own Contribution below), separate accrual accounts are maintained in each case. The Dedicated Capital Contribution (pursuant to Clause 18.3 X-CLEAR’s Dedicated Capital Contribution) and the NDL Own Contribution (pursuant to Clause 18.4 X-CLEAR’s NDL Own Contribution) are, however, financed via the same reserves of X-CLEAR.

In case of use of only a portion of the Dedicated Capital Contribution (being a fraction of the 25 per cent of X-CLEAR’s required capital), the Cooling-off Period of X-CLEAR shall also apply to that portion only. Any losses occurring within the Cooling-off Period which are exceeding any residual Dedicated Capital Contribution shall be absorbed by the subsequent Layer(s) of Collateral (items 4 to 7 of clause 18.2 above).

18.4 X-CLEAR’s NDL Own Contribution

In the event of an Other Loss Event, X-CLEAR will, before using the Non-Default Loss Allocation of the Members, for each event provide an own contribution to cover a loss caused by an Other Loss Event.

The NDL Own Contribution is calculated as a percentage of the required capital, where the latter is assessed pursuant to the provisions of the Swiss Financial Market
Infrastructure Ordinance (FMIO) and the Swiss Capital Adequacy Ordinance, and is published on the website of SIX / Clearing / Profile in the last Annual Report.

X-CLEAR fixes the NDL Own Contribution at a minimum of 25% of the required capital.

X-CLEAR shall make the NDL Own Contribution for the entire amount (totalling at least 25% of X-CLEAR’s required capital) only once in a period of 1 (one) month following the Other Loss Event which necessitated the use of such contribution (“Cooling-off Period of X-CLEAR”). After any use of the NDL Own Contribution, X-CLEAR shall reinstate its own reserves (part of capital of X-CLEAR) to the extent as required by the Swiss Applicable Laws within the period of time determined by FINMA/SNB.

Clarification: For the Cooling-off Period caused by a Member Default and the Cooling-off Period caused by an Other Loss Event (Clause 18.3 X-CLEAR’s Dedicated Capital Contribution above), separate accrual accounts are maintained in each case. The Dedicated Capital Contribution (pursuant to Clause 18.3 X-CLEAR’s Dedicated Capital Contribution) and the NDL Own Contribution (pursuant to Clause 18.4 X-CLEAR’s NDL Own Contribution) are, however, financed via the same reserves of X-CLEAR.

If only a portion of the NDL Own Contribution is used, the Cooling-off Period of X-CLEAR shall apply to that portion only. Any losses occurring within the Cooling-off Period which are exceeding any residual NDL Own Contribution shall be absorbed by the Members (pursuant to the Financial Collateral Agreement).

18.5 Use of the Default Fund Contribution in the event of an Auction Process

Any losses or expenses incurred by X-CLEAR as a result of an Auction Process (pursuant to Annex 5) and within the scope of the liquidation of the portfolio of a Defaulting Member will be covered by the Layers of Collateral in accordance with the order of realisation (Waterfall of Resources) pursuant to clause 18.2 of the Rulebook.

Any losses or expenses that must be covered by the layer of Default Fund (clause 18.2.4) shall be offset as follows:

1. By the cumulative Default Fund Contributions of the following two groups of Member in the following sequence (first a., then b.):
   a. By all Members who clear Derivative Products with X-CLEAR and did not participate in the Auction Process or have not won it;
   b. By the winner of the Auction Process and all other Members who do not clear Derivative Products with X-CLEAR.
2. Within the respective group, they are allocated on a proportional basis to the individual Members based on the size of the Default Fund Contribution of the relevant Member in relation to the total size of the Default Fund Contribution of all Members of this Group.

18.6 **Replenishment of the Default Fund Segment**

In the event of a full or partial drawdown on the Default Fund Segment, the non-defaulting Members must make a Default Fund Replenishment Contribution in order to replenish the Default Fund Segment. Details in this regard are laid down in the Financial Collateral Agreement.

18.7 **Non-Default Loss Allocation (NDLA)**

The NDLA provides cover by the Members for losses on the Permissible Collateral and/or X-CLEAR’s capital which were not caused by the Default of a Member or Co-CCP and for which X-CLEAR is not liable pursuant to chapter 23.0 *Liability* and thus must be sustained by the Members.

If an Other Loss Event occurs, the NDLA is capped at CHF 40 million per event ("Cap Amount NDLA Other Loss Event").

18.8 **Purpose of collateralisation**

The Member acknowledges and agrees that the purpose of the rules of this chapter 18.0 and, *inter alia*, the provision of Margins and Default Fund Contributions is to address and prevent the incidence of systemic risk that may arise in relation to Clearing Services, the Trading Platform Market or respective Trading Platforms.

19.0 **Further rules common to Permissible Collateral**

19.1 **Representations and warranties by Member**

The Member will act as principal and not as agent when providing Permissible Collateral. X-CLEAR will take no account of any right or interest which any Person other than the Member has or may have in connection with any Permissible Collateral. The Member represents and warrants to X-CLEAR on each date on which the Member provides to X-CLEAR Permissible Collateral and on a continuing basis whilst such Permissible Collateral remains held by or on behalf of X-CLEAR, that:

19.2 Representations and warranties by X-CLEAR Clients

The X-CLEAR Client will act as principal and not as agent when providing Margins. X-CLEAR will take no account of any right or interest which any Person other than the X-CLEAR Client has or may have in connection with any Margin. The X-CLEAR Client represents and warrants to X-CLEAR on each date on which the X-CLEAR Client provides to X-CLEAR Margin and on a continuing basis whilst such Margin remains held by or on behalf of X-CLEAR, that:

a. the X-CLEAR Client is the sole legal owner of all Intermediated Securities or cash used for the Margins;

19.3 Representations and warranties by X-CLEAR

X-CLEAR represents and warrants to the Member and the X-CLEAR Client that any Permissible Collateral provided to X-CLEAR and returned to the Member or the X-CLEAR Clients is not subject to any trust, agreement, arrangement or Encumbrances created or granted by X-CLEAR and that the return of Permissible Collateral to the Member or
the X-CLEAR Client is not in breach of any contractual obligation of X-CLEAR towards any third party or of any Applicable Laws.

19.4 **Liabilities of Member or X-CLEAR Client**

The Member and the X-CLEAR Client shall be liable to X-CLEAR for any fees, costs, losses, damages, expenses, delays or liabilities incurred by X-CLEAR as a result of X-CLEAR possessing, holding, perfecting the title to or otherwise being associated with, or dealing with, any Securities or monies provided by the Member or the X-CLEAR Client (Margins only) to X-CLEAR as Permissible Collateral.

19.5 **Application of Companies Act**

Each Member and X-CLEAR Client (for Margins only) is given notice that Part VII of the Companies Act 1989 applies in relation to all Margin and Default Fund Contributions and that, as a result, in accordance with the Companies Act 1989 and pursuant to these GTC Norwegian Branch, *inter alia*:

a. certain of the English Courts’ and insolvency officials’ rights to disclaim property, onerous transactions, transactions at an undervalue and similar transactions in relation to Margins and Default Fund Contributions will not apply; and

b. neither the provision of Margins nor the making of Default Fund Contributions is invalid on grounds of inconsistency with Applicable Laws of the United Kingdom relating to Insolvency.

19.6 **Application of EC Collateral Regulations and EC Collateral Directive**

Each Member and X-CLEAR Client (for Margins only) is given notice that the Financial Collateral Arrangements (No. 2) Regulations 2003 (the "Collateral Regulations") which implement Directive 2002/47/EC on financial collateral arrangements (the "Collateral Directive") applies in relation to the provision of Margin and Default Fund Contributions (including security arrangements made under the Financial Collateral Agreements) and that, as a result, in accordance with the Collateral Regulations and the Collateral Directive, *inter alia*:

20.0 Account structures

The Member shall have at its disposal the structures more specifically defined in the Clearing Terms for individual client and omnibus client account segregation with respect to its Member Accounts and its Client Accounts, as well as for X-CLEAR Clients and NCMs linked to it. The Member shall, in accordance with the election by the Clients and the Applicable Laws, select the structure that best suits its accounts and custody accounts for claims and liabilities arising from Outstanding Contracts as well as for depositing Permissible Collateral (Collateral Accounts). Collateral Accounts shall be held by the Member or by the X-CLEAR Client at the Account Operator or by X-CLEAR on Cash Accounts designated by X-CLEAR to a Member or to an X-CLEAR Client.

For Clearing Services by X-CLEAR carried out through the Member on behalf of X-CLEAR Clients and/or NCMs linked to it, such Clients shall be granted a mandatory right to select in favour or against individual client account segregation (pursuant to clause 6.2 and Annex 2). Such selection must be followed by the Member.

Delivery Settlement shall take place as set out in clause 15.8.

The settlement agent is acting on behalf of the Member as an agent only, and does not assume legal responsibility to X-CLEAR for the performance of the Settlement of Outstanding Contracts. The Member, the X-CLEAR Client and the Co-CCP (if applicable) or their settlement agents (if any) shall comply with the rules, requirements and obligations applicable to them pursuant to the rules of the Approved Settlement System.

21.4 **No liability of X-CLEAR**

21.5 **Holding of sufficient Trading Platform Products or cash**

The Member or an X-CLEAR Client shall ensure that there is a sufficient quantity of Trading Platform Products or sufficient cash, as the case may be, available to enable Settlement of Outstanding Contracts to take place on the Intended Settlement Date. On completion of the buy-in, X-CLEAR will advise the Selling Member or the Selling X-CLEAR Client on the same day by facsimile or electronic means, providing details of the buy-in that has been effected to settle the relevant Outstanding Contract. The Selling Member or the Selling X-CLEAR Client shall be liable to X-CLEAR for any difference between the price of the Equity Product under the relevant Outstanding Contract and the price paid in connection with a buy-in;
22.2 **Consequences of buy-in**

The payment obligations of the Member or the X-CLEAR Client, arising from the buy-in effectuated by X-CLEAR, shall be due and payable immediately upon notification of the same by X-CLEAR. 22.3 **Exclusive governance by Contractual Relationship**

The Contractual Relationship shall exclusively govern late Settlement, including any processes (such as buy-in) carried out as part of late Settlement, including, but not limited to, any costs associated with such settlement. The Trading Platform Rules shall not apply to any of the aforesaid matters.

23.2 **Delayed performance by X-CLEAR**

Where an obligation of X-CLEAR must be performed immediately, promptly or by or prior to a specified time or date but performance does not occur at that time or on that date, X-CLEAR shall not be in breach of the Contractual Relationship if – after X-CLEAR has exercised all reasonable endeavours – it performs the relevant obligation when it is able to after such specified time or date.

23.3 **Liability of X-CLEAR**

X-CLEAR shall only be liable to the Member or the X-CLEAR Client for any direct loss caused by inadequate performance or non-performance of the Contractual Relationship as a result of the negligence, wilful default or fraud attributable to X-CLEAR.

Subject to clause 23.3 and to any contract (if any) between the Affiliate of X-CLEAR and the Member or the X-CLEAR Client, no such Affiliate shall owe any Member or X-CLEAR Client any duty of care in tort or otherwise in relation to the operation of such arrangements and no Member or X-CLEAR Client shall have any right to take any action against any such Affiliate (or any person for whom any such Affiliate is vicariously liable) for damages, compensation, payment or remedy of any other nature on any ground whatsoever in respect of any acts or omissions or events which occur as a result of such arrangements. The Member or the X-CLEAR Client further shall have no other rights against such Affiliate in connection with the operation of such arrangements.

23.6 Limitation of liability of X-CLEAR

Subject to clause 23.3 (in particular provided that losses are not incurred directly as a result of X-CLEAR's own negligence or wilful default under the Contractual Relationship or fraud) and the standard of care pursuant to clause 23.1, X-CLEAR shall not be liable for any losses, damages, injuries, delays, costs or expenses incurred or suffered by a Member, an X-CLEAR Client or Person arising out of or in connection with the following non-exhaustive grounds:

c. any act or omission of the Trading Platform (including, without limitation, suspension or restriction of services by the Trading Platform), a Co-CCP (if any), the provider of Transaction Routing, the Approved Settlement System, any other
Member, any other X-CLEAR Client, an NCM, or any other third party such as providers of messaging services, networks or other technical infrastructure necessary or appropriate for X-CLEAR’s provision of Clearing Services;

d. any failure by the Member to put in place and maintain appropriate settlement arrangements to enable Settlement to take place in accordance with the Contractual Relationship either for itself or on behalf of an X-CLEAR Client for which it is a Clearing Administrator, including, but not limited to, failure by the Member or its settlement agent to meet the functional requirements, time deadlines or other requirements of an Approved Settlement System;

e. except in relation to any provider of outsourced services appointed by X-CLEAR in accordance with clauses 23.5, any act or omission of a third party providing any services or functionality in relation to Settlement, including, but not limited to, any settlement agents appointed by X-CLEAR or by the Member or the X-CLEAR Client (save that X-CLEAR shall, when appointing settlement agents to act on its behalf and where such appointment has been made by the exercise of reasonable discretion by X-CLEAR, exercise due care in selecting, instructing and monitoring such agents);

l. any implied warranties or representations in relation to X-CLEAR’s systems, including, but not limited to, warranties of merchantability or warranties of fitness for a particular purpose.

23.7 Liability of Second Counterparty to X-CLEAR

If X-CLEAR is found liable to a Member or an X-CLEAR Client in respect of a Single Contract, but another Member or another X-CLEAR Client (the “Second Counterparty to X-CLEAR”) is found liable to X-CLEAR in respect of a Single Contract which arose pursuant to the same Trading Platform Transaction corresponding to the first Single Contract, then the liability of X-CLEAR under the first Single Contract shall be deemed to be a foreseeable consequence of the breach by the Second Counterparty to X-CLEAR of the second Single Contract and X-CLEAR shall be entitled to be indemnified by the Second Counterparty to X-CLEAR in accordance with chapter 24.0.

23.8 Application of liability

The provisions of this chapter 24.0 shall apply:

23.9 Interpretation of liability-related provisions

Any provision in the Contractual Relationship to the effect that X-CLEAR shall not be liable in respect of a particular matter shall be construed to mean that X-CLEAR shall not have any liability which X-CLEAR might, in the absence of such a provision, incur, whether X-CLEAR could incur such a liability:

SIX x-clear Ltd - Norwegian Branch

for Clearing Services

a. under the Contractual Relationship (whether such terms are express or implied by Applicable Laws or otherwise);

b. in tort;

c. for misrepresentation; or
d. in any other way,

provided that nothing in the Contractual Relationship shall be construed as:

e. excluding or limiting liability on the part of X-CLEAR for death or personal injury resulting from its negligence;

f. excluding liability for fraud;

g. limiting any liability of X-CLEAR below the amount of any benefit X-CLEAR itself has received by reason of the act, omission or event giving rise to such liability;

h. excluding or restricting the obligations of X-CLEAR under any Single Contracts; or

i. excluding or limiting liability for breach of any obligations which in accordance with Applicable Laws cannot be excluded or limited.

24.0 Indemnity

24.1 Indemnity of Member and X-CLEAR Client

The Member or the X-CLEAR Client (each individually) shall indemnify and hold harmless X-CLEAR and its officers and employees against any and all losses, liabilities, damages, injuries, delays, costs and expenses incurred or suffered by any of them arising out of, or in connection with a breach by the Member or the X-CLEAR Client of any of its obligations under the Contractual Relationship or a breach by the Member or the X-CLEAR Client of any Applicable Laws. In this clause 24.1, a Member or an X-CLEAR Client (each individually) shall be responsible for all conduct of that Member's Representatives or that X-CLEAR Client’s Representatives as if that conduct were the conduct of the Member or the X-CLEAR Client itself. However, notwithstanding the attribution of such conduct to the Member or the X-CLEAR Client, this clause 24.1 does not affect any loss or liability which the Representative responsible for such conduct may also suffer or incur under any Applicable Laws.
24.2 Notification and assignment

X-CLEAR shall notify the Member or the X-CLEAR Client promptly in writing as soon as it becomes aware of any action, proceeding, suit, arbitration, Dispute, claim, demand, inquiry, investigation or hearing to which clause 24.1 may apply. Subject to the Member’s or the X-CLEAR Client’s written consent, X-CLEAR shall assign to the Member or the X-CLEAR Client sole responsibility for the conduct of any litigation in connection with such claims or legal action, or the conduct of any settlement negotiations or other Dispute resolution procedures, at the Member’s or the X-CLEAR Client’s own discretion and at its own expense. X-CLEAR shall not be entitled to fulfil any demand, grant any concession or reach a settlement without the Member’s or the X-CLEAR Client’s prior written consent, such consent not to be unreasonably withheld; and X-CLEAR shall provide the Member or the X-CLEAR Client with all information and, at the Member’s expense, with such support as is reasonably required.

25.0 Confidentiality and data protection

25.1 General rule

All confidential information received by X-CLEAR relating to the Member or the X-CLEAR Client in connection with the provision of Clearing Services including, without limitation, all information concerning past or current positions carried by X-CLEAR for a Member or an X-CLEAR Client, Margins or Default Fund Contributions, Settlement and any financial statements filed with X-CLEAR by any Member (“Confidential Information”), shall be held in confidence by X-CLEAR and shall not be disclosed to any other Person.

25.2 Exceptions

Clause 26.1 above does not apply to information disclosed by X-CLEAR:

a. with the written consent of the Member or the X-CLEAR Client involved, such consent not to be unreasonably withheld or delayed;

b. to a Governmental Authority where a request is formally made to X-CLEAR by or on behalf of the same in order to fulfil the Governmental Authority’s legal requirements, whether or not such request has the force of law. In particular, this refers to forwarding the Member’s data to authorities in Switzerland or in any other country during estate or bankruptcy proceedings or to persons engaged as part of said proceedings. X-CLEAR is further authorised, in relation to judicial or administrative proceedings that are impending or have already been initiated in Switzerland or in any other country in which X-CLEAR is named instead of the Member, the X-CLEAR Client or the beneficial owner or in addition to these, to disclose the identity of and additional data (including transaction data) pertaining to
the Member or the X-CLEAR Client to third parties if X-CLEAR may be placed at a severe disadvantage in the event that it does not provide this data (e.g. imposition of sanctions, initiation or continuation of judicial or administrative proceedings, serious financial or reputational damage). X-CLEAR shall notify the Member or the X-CLEAR Client in advance of its intention to disclose the data;

c. pursuant to and in accordance with Applicable Laws (after the Member has been given notice, if such notice is permissible under the Applicable Laws or regulatory standards);

In the case of a mandatory Event of Default pursuant to clause 27.3, the X-CLEAR Member is deemed in Default from the occurrence of such Event.

The Default enters into effect at the time the Default Notice is sent to the contact address specified in Appendix III of the Contract for Clearing Services (English Law) or Appendix III of the Contract for X-CLEAR Client (English Law).

27.5 Measures by X-CLEAR upon Default

On occurrence of the Default of a Member or an X-CLEAR Client, X-CLEAR shall take with immediate effect each of the following measures (letters a. to d.):

a. Suspension of Open Offer and/or Novation
   The Open Offer and/or Novation process as well as the provision of Clearing Services to the Member or X-CLEAR Client is suspended with immediate effect.

b. Blocking of all Permissible Collateral in Collateral Account(s)
   All Permissible Collateral shall be blocked, i.e. will not be released and re-transferred to the Defaulting Member (or its bankrupt estate) until the Close-out Procedure is concluded and any Close-out Settlement Amount payable by the Defaulting Member is covered.

c. Close-out Procedure
   A Close-out Procedure shall be initiated with respect to all the Outstanding Contracts of a Defaulting Member or a Defaulting X-CLEAR Client.

   The elements of this procedure are:

   The Outstanding Contracts of the Defaulting Member or Defaulting X-CLEAR Client are either

   - fulfilled and settled where legally permissible and practicable and in consultation with the recovery agent or bankruptcy liquidator in the regular process in accordance with their terms and the Contractual Relationship; or

   - where fulfilment and settlement in the regular process is deemed to be unlikely or impossible or impracticable, fulfilled and settled following a **buy-in** or **sell-out** or the execution of **closing trades** or **balancing trades** of the net positions of the contracted Trading Platform Products by X-CLEAR, or **hedging transactions** for the Member’s or X-CLEAR Client’s account and risk on reasonable commercial terms, whereby X-CLEAR may act at any time following the issuance of a Default Notice at its reasonable discretion but in consultation with the recovery agent or bankruptcy liquidator.
As part of this process, the differential values of the net positions are determined per ISIN and currency of the Outstanding Contracts based on the actual purchase costs / sales proceeds related to any buy-in, sell-out, closing trade and balancing trade, or hedging transactions.

By aggregating and netting all of the amounts to be paid to and by the Defaulting Party (per currency), a **Close-out Settlement Amount** is calculated, which is owed either by the Member, the X-CLEAR Client or by X-CLEAR from the time the Default Notice is sent (pursuant to clause 27.4) or the mandatory Event of Default (pursuant to clause 27.3) occurs, in particular the opening of bankruptcy proceedings. This amount is netted against the Permissible Collateral or any other collateral of the Defaulting Member or of the Defaulting X-CLEAR Client (see lit. g. below) or paid to this Member or the X-CLEAR Client. The details of this procedure are regulated in the Clearing Terms (published on the website of SIX > Exchange & Services > Go to Securities Services > Clearing) and in the Financial Collateral Agreements;

In any case, the above procedure is subject to the contractual provisions relating to the avoidance of Single Contracts (chapter 14.0) and the legal provisions relating to the cancellation of debits or credits.

d. In addition to the amounts calculated in the Close-out Procedure, the Member or the X-CLEAR Client shall be charged all costs and expenses arising in conjunction with the Event of Default. This includes, but is not limited to, costs relating to the liquidation of Collateral, compensation payments for Late Settlement, costs in relation to buy-ins or sell-outs, legal fees or any related extrajudicial expenses as well as, where legally permissible, any interest costs.

e. To the extent the Permissible Collateral of an X-CLEAR Client is not sufficient to cover the Close-out Settlement Amount owed by the X-CLEAR Client to X-CLEAR, the Clearing Administrator of the X-CLEAR Client is liable to compensate X-CLEAR for this balance.

X-CLEAR can postpone the taking of such measures in time, especially if a respective order by a governmental supervisory or judicial authority has been issued.

Furthermore and notwithstanding the other provisions of this clause 27.5, X-CLEAR may decide to terminate the Membership of the Member in accordance with chapter 5.0.

X-CLEAR shall inform the Member or the X-CLEAR Client in advance of the measures to be taken, except in the event of situations X-CLEAR deems to be urgent.

27.6 **Obligations of a Clearing Administrator upon Default of an X-CLEAR Client**

Notwithstanding that an X-CLEAR Client is in Default a Clearing Administrator shall (as long as the procedure in clause 27.5 lit. b. has not been initiated):

a. execute closing trades on the request of the X-CLEAR Client;

b. exercise Options on the request of the X-CLEAR Client;

c. represent the X-CLEAR Client in Settlements, provided that the X-CLEAR Client has provided sufficient Permissible Collateral to meet the Margin calls;

If an X-CLEAR Client fails to meet Margin calls, the Clearing Administrator may, with X-CLEAR’s consent, immediately and without consent by the X-CLEAR Client, carry out such buy-in and sell-out, and closing trades or balancing trades required to ensure that the Permissible Collateral posted by the X-CLEAR Client meets the Margin call. If X-CLEAR has decided to implement the Close-out Procedure in clause 27.5 lit. b., X-CLEAR may instruct the Clearing Administrator to execute this process on behalf of X-CLEAR.

27.7 **Netting for affiliated Members ("Group Netting Clause")**

Each Member that belongs to a legally affiliated group of companies (affected Group) and has signed a separate, written declaration of consent to the Group Netting Clause (as set out in Annex 5) shall hereinafter be referred to as a "Consenting Member".

Unless there are any mandatory standards under Applicable Law to the contrary, X-CLEAR shall be entitled (but not obliged) for Consenting Members of this affected Group which are in Default or were set in Default by X-CLEAR (the "Defaulting Consenting Members") to calculate the Close-out Settlement Amounts and to net these Close-out Settlement Amounts together per currency into one net amount.

If this net amount is in favour of the Defaulting Consenting Members, X-CLEAR shall transfer this net amount on a pro rata basis according to the individual Close-out Settlement Amounts to those Defaulting Consenting Members which have positive Close-out Settlement Amounts. The individual pro rata positions result from the individual positive Close-out Settlement Amounts of the respective Defaulting Consenting Member which are divided by the sum of all positive Close-out Settlement Amounts.

If this net amount is owed by the Defaulting Consenting Members, this net amount shall be allocated to the single Defaulting Consenting Members on a pro rata basis according to the individual Margin requirements (i.e. in relation to the individual total
Margin requirements of each Defaulting Consenting Members to the sum of the total Margin requirements of all Defaulting Consenting Members) and shall be settled accordingly by the realised proceeds of the Permissible Collateral of the single Defaulting Consenting Members.

If for a Member that belongs to an affected Group consent for the Group Netting Clause has not been obtained from all Members of this Group, the requirements for the provision of Permissible Collateral may be amended in line with the risk involved.

**27.8 Excess proceeds of Close-out Procedure or Late Contribution**

In the event that:

a. Default Fund Contributions and/or Top-up Contributions of non-defaulting Members have been realised pursuant to the Financial Collateral Agreement and excess amounts remain after the Close-out process (as defined in clause 27.5 let. b.); or

b. a Defaulting Member makes a Default Fund Contribution after the Default Fund Contributions and/or Top-up Contributions of non-defaulting Members have been realised but only in cases where such contributions by the Defaulting Member are made pursuant to obligations arising prior to such realisation (here referred to as a "Late Contribution"),

then X-CLEAR shall make on a pro rata-basis a total compensation to the non-defaulting Members whose Default Fund Contributions and/or Top-up Contributions have been realised from such proceeds of the Close-out process or Late Contribution up to the maximum amount of the Default Fund Contributions and/or Top-up Contributions made by all Members at the time of the realisation.

**27.9 No waiver of entitlement**

In the event that X-CLEAR does not take any steps described in 28.5 following a Default, X-CLEAR shall not be regarded as having waived its entitlement to take any such step immediately or at all.

**27.10 Application of Companies Act**

For the purposes of this clause 28.9, the term "default rules" means all the GTC Norwegian Branch and other provisions of the Contractual Relationship which provide for the taking of action in the event of a Member or the X-CLEAR Client being unable, appearing to be unable, or being likely to be unable, to meet its obligations in respect of one or more Outstanding Contracts and "default proceedings" means the actions and proceedings taken by X-CLEAR under its default rules. The Member and the X-
CLEAR Client is given notice that Part VII of the Companies Act 1989 applies in relation to Single Contracts in the event of a Default and that as a result in so far as there are proceedings relating to an Insolvency of a Member or an X-CLEAR Client in the UK, in accordance with the Companies Act 1989, *inter alia*:

a. the Contractual Relationship will apply notwithstanding the otherwise mandatory nature of Applicable Laws of the United Kingdom relating to Insolvency;

b. the insolvency practitioner of the Defaulting Member or the Defaulting X-CLEAR Client may not contest action taken by X-CLEAR in relation to that Member or that X-CLEAR Client under the Contractual Relationship;

c. third parties will have a duty in certain circumstances to give certain assistance to X-CLEAR for the purpose of giving effect to the Contractual Relationship;

d. the powers of the English Courts to prevent dissipation or application of assets are subject to X-CLEAR’s default proceedings;

e. Governmental Authorities such as but not limited to the Bank of England, have certain powers to require X-CLEAR’s default rules to be applied in the event of an Insolvency of any Member or X-CLEAR Client even if no action is taken by X-CLEAR; and

f. X-CLEAR may be required to produce a report under section 162 of the Companies Act 1989 and to report to the Defaulting Member or the Defaulting X-CLEAR Client, or any relevant office-holder acting in relation to the Insolvency of the Defaulting Member or the Defaulting X-CLEAR Client, on steps taken under this clause 27.0.

### 28.0 Claims, liabilities and Margins of NCMs and X-CLEAR Clients in the Default of the Member

#### 28.1 Pre-arranged solutions

##### 28.1.1 Key principles and requirements

In the event of a Default or the termination of a Member, X-CLEAR shall ensure that the pre-arranged solutions are carried out by treating all claims and liabilities against X-CLEAR as well as the Permissible Collateral for Margins referable to the Clients linked to the Defaulting Member in accordance with the applicable contractual agreements and orders, which are in particular:

- the Contractual Relationship of X-CLEAR with the Member and the Back-up Clearing Administrator
the Contractual Relationship of X-CLEAR with the Member and the Back-up GCM

- the order from the Back-up Clearing Administrator to X-CLEAR (pursuant to clauses 28.1.2 lit. a.)

- the order from the Back-up GCM to X-CLEAR (pursuant to clauses 28.1.3 lit. a. and 28.1.4)

- in the case of individual client account segregation, the selection made by the X-CLEAR Clients (pursuant to clause 28.1.2) or the selection made by the NCM (pursuant to clause 29.1.3)

X-CLEAR shall carry out the pre-arranged solution selected by the X-CLEAR Client or the NCM within 48 hours after the declaration of Default (pursuant to clause 27.4), or the termination (pursuant to chapter 5.0) of the Member concerned, provided this solution can be implemented in a timely manner and the following requirements are met:

a. The following documents must be in place and the corresponding measures taken:

- Order from the Back-up Clearing Administrator as the agent of the X-CLEAR Client pursuant to clause 28.1.2 lit. a as well as the technical activation of the Back-up Clearing Administrator, or

- Order from X-CLEAR appointing a Back-up provisional Clearing Administrator pursuant to clause 28.1.2 lit. b, or

- Order from the Back-up GCM as the agent of the NCM pursuant to clauses 28.1.3 lit. a. and 28.1.4 as well as the technical activation of the Member, or

- Order by the Defaulting Member as the agent of the NCM pursuant to clause 28.1.3 lit. c., which was issued with the consent of its restructuring agent or bankruptcy liquidator;

b. Existence of a Legal Opinion as to the soundness and enforceability of the selected solution pursuant to clauses 28.1.2 lit. a, 28.1.3 and 28.1.4, in particular based on the applicable insolvency law;

c. Additionally in the case of porting (pursuant to clauses 28.1.2 lit. a, 28.1.3 lit. a and 28.1.4), the coverage of the same settlement markets by the Back-up Clearing Administrator or the Back-up GCM as the Defaulting Member;

d. Additionally in the case of porting (pursuant to clauses 28.1.2 lit. a, 28.1.3 lit. a and 28.1.4), the existence of a confirmation from the Back-up Clearing Administrator or
e. The following must be noted:

- X-CLEAR does not offer any safeguards with respect to contributions from Clients to the assets provided as collateral by the Members for Default Funds. This applies irrespective of whether these were made in the form of cash and/or securities.

- In jurisdictions in which Applicable Laws do not explicitly grant exceptions from regular insolvency rules and proceedings with respect to the options and procedures as defined hereafter (28.1.2, 28.1.3 and 28.1.4) a consent or an executional order (as the case may be) from the responsible restructuring agent, or if bankruptcy proceedings have been initiated, from the bankruptcy liquidator is required. The Member shall expressly inform the Client accordingly.

- However, in jurisdictions in which Applicable Laws so permits, X-CLEAR shall in accordance with such laws port the positions and Permissible Collateral referable to Clients to a Back-up Clearing Administrator or a Back-up GCM without the consent of the Defaulting Member, its restructuring agent (where employed) or bankruptcy liquidator.

- The pre-arranged solutions are based on the account segregation selection made by the linked Clients (pursuant to chapter 20.0). The following options are therefore available:

28.1.2 Options in case of individual client account segregation for X-CLEAR Client

In the case of individual client account segregation for X-CLEAR Clients, the Clearing Administrator shall notify the X-CLEAR Clients linked to it of their right to select between the options listed below in order to protect their claims and liabilities as well as the Margins they have provided with respect to the possible Default of the Clearing Administrator.

Each X-CLEAR Client shall decide on one of the two following options.

a. Individual porting to a Back-up Clearing Administrator:
   The X-CLEAR Client independently selects a Back-up Clearing Administrator and concludes a Back-up Clearing Administrator/Contract for X-CLEAR Client (English Law) with it pursuant to the requirements in Annex 2. The Back-up Clearing

Administrator must already have a Membership as a Member. The Back-up Clearing Administrator shall inform X-CLEAR that it has accepted its back-up function and shall issue an order to X-CLEAR in accordance with the template in Annex 2 to set up the necessary account structures and take any other measures required for a possible porting. X-CLEAR shall confirm this order and inform the Back-up Clearing Administrator and the X-CLEAR Client once it has taken these measures.

b. **Individual porting** to a Back-up provisional Clearing Administrator:
   If the X-CLEAR Client has not selected a Back-up Clearing Administrator pursuant to lit. a, X-CLEAR may instruct a GCM to assume responsibility as provisional Back-up Clearing Administrator for X-CLEAR Clients by submitting a portability order to the GCM. X-CLEAR shall inform the X-CLEAR Client of the identity of the Back-up provisional Clearing Administrator. X-CLEAR shall set up the necessary account structures for the provisional period and take any other measures required for a possible porting and inform the X-CLEAR Client and the Back-up provisional Clearing Administrator once it has taken these measures. The Back-up provisional Clearing Administrator shall perform Clearing for the X-CLEAR Client in the provisional period, but is not obliged to enter into the Contract for X-CLEAR Client (English Law) with the X-CLEAR Client. In the provisional period, the Back-up provisional Clearing Administrator is not jointly liable with the X-CLEAR Client for Margin calls. If the X-CLEAR Client does not enter into a Contract for X-CLEAR Client (English Law) with a Member within the provisional period, the **Close-out Procedure** (pursuant to clause 27.5 lit. b.) will be applied, and the payment of any positive amount (calculated in accordance with clause 27.5 lit. b.) shall be made directly to the X-CLEAR Client, while a negative amount (calculated in accordance with clause 27.5 lit. b.) shall be netted against the proceeds from the Permissible Collateral of the Defaulting Clearing Administrator.

28.1.3 **Options in case of individual client account segregation for NCMs**

In the case of individual client account segregation for NCMs, the Member shall notify the NCMs linked to it of their right to select between the options listed below in order to protect their claims and liabilities as well as the Permissible Collateral for Margins referable to such NCM with respect to the possible Default of the Member.

Each NCM shall decide on one of the three following options.

a. **Individual porting** to a Back-up GCM:
   The NCM independently selects a Back-up GCM and concludes a **Back-up GCM/NCM Agreement** with it pursuant to the requirements in Annex 2. The Back-up GCM must already have a Membership as a Member. The Back-up GCM shall inform X-CLEAR that it has accepted its back-up function and shall issue an order to X-CLEAR in
accordance with the template in Annex 2 to set up the necessary account structures and take any other measures required for a possible porting. X-CLEAR shall confirm this order and inform the Back-up GCM and the NCM once it has taken these measures.

b. **Independent Membership** and transfer into own Clearing Accounts and Collateral Accounts:
The NCM shall make a direct application to X-CLEAR to be admitted as an ICM (Individual Clearing Member). X-CLEAR shall review this application and then accept or reject it. If this application is accepted, X-CLEAR shall initiate the regular acceptance procedure. The NCM may hold this Membership on a subsidiary basis prior to the occurrence of the Default of the Member, i.e. not using it, or only using it on a selective basis.

c. **Settlement by means of the Close-out Procedure** (pursuant to clause 27.5 lit. b.):
The Member and the NCM shall agree that upon occurrence of the Default of the Member, a Close-out Procedure be carried out with respect to the claims, liabilities and Permissible Collateral for Margins referable to the NCM. In the case of its Default, the Member as the agent of the NCM shall, in consultation with its restructuring agent (where employed) or, once bankruptcy proceedings have been initiated, the responsible bankruptcy liquidator at the request of the NCM, issue an order to X-CLEAR to carry out a Close-out Procedure pursuant to 27.5 lit. b. In this case, the payment of a positive amount (calculated pursuant to 27.5 lit. b.) shall be made directly to the NCM, while a negative amount (calculated pursuant to 27.5 lit. b.) shall be netted against the proceeds from the Permissible Collateral of the Member.

The Member shall inform X-CLEAR (pursuant to the requirements in the schedule to the Member/Client Agreement in Annex 2) of the selection of the NCM with respect to the options set out above.

28.1.4 **Option in case of omnibus client account segregation (omnibus segregation)**

In the case of omnibus client account segregation, the Member, as the agent of its NCMs, shall enter into an agreement with a Back-up GCM ("**Member/Back-up GCM Agreement**"), whereby in the case of its Default, the Member or the bankruptcy liquidator shall issue an order to X-CLEAR to collectively transfer all claims and liabilities as well as the Permissible Collateral for Margins referable to all NCMs linked to it to the respective Back-up GCM ("**collective porting**"). It is only possible to split the claims and liabilities amongst multiple Back-up GCMs where the Defaulting GCM has multiple omnibus accounts for different groups of NCMs. The Back-up GCM must already have Membership as a Member.

The Member shall consult the NCMs linked to it prior to selecting the Back-up GCM and concluding the Member/Back-up GCM Agreement.

The Back-up GCM shall notify all NCMs concerned that it has accepted its back-up function and signed the Member/Back-up GCM Agreement. The Back-up GCM shall also inform X-CLEAR that it has accepted the Member/Back-up GCM Agreement and shall issue an order to X-CLEAR (in accordance with the template in Annex 2) to set up the necessary account structures and take any other measures required for a possible porting. X-CLEAR shall confirm this order and inform the Back-up GCM once it has taken these measures.

The Back-up GCM shall conclude a Back-up GCM/NCM Agreement with each NCM concerned in accordance with the requirements in Annex 2.

which are offset against the Permissible Collateral or paid out to the Members and the X-CLEAR Client.

The details of this procedure are regulated in the Clearing Terms, which are published on the website of SIX > Exchange & Services > Go to Securities Services > Clearing.

c. In any case, the above procedure is subject to the contractual provisions relating to the revocation and dissolution of individual contracts and the legal provisions relating to the cancellation of debits or credits.

Fees payable by the Member for Membership in the Derivatives Segment and SLB Segment shall be determined in accordance with the Rules and Regulations.

Suspension of Membership does not release the Member from the requirement to pay the Membership fee or service fee (either for itself or for an X-CLEAR Client for which it is a Clearing Administrator). If Membership of the Member begins or is terminated during a calendar year the Membership fee paid for that year is payable or will be refunded pro rata.

32.2 **Price List and monthly statement**

X-CLEAR will set out its service charges and Membership fees in the Price List as published and issued to the Member from time to time. In setting its charges and fees the Member acknowledges and agrees that X-CLEAR is entitled to take into account the charges and fees (if any) imposed on or charged to X-CLEAR by the Approved Settlement System, the provider of Transaction Routing or a Co-CCP (if any). X-CLEAR shall be entitled to vary the amount of the charges or fees from time to time and shall notify the Member of such changes in accordance with the Contract for Clearing Services (English Law).

In addition, X-CLEAR is entitled to impose default charges and demand payment of additional costs from a Defaulting Member or a Defaulting X-CLEAR Client.

34.0 Extensions and waivers

34.1 Extension or waiver of acts

The time fixed by the Contractual Relationship for the performance of any act or acts may be extended, or the performance of any act or acts required by Contractual Relationship may be waived by X-CLEAR whenever at its discretion it considers that such extension or waiver is necessary or in the best interests of X-CLEAR.

34.2 Extension of submission of information or making payments

Without prejudice to the generality of clause 35.1, the time fixed by the Contractual Relationship for filing any report or other document, for submitting any information or for making deposits or payments may be extended by X-CLEAR whenever at its discretion it considers that such extension is necessary or in the best interests of X-CLEAR. Any such extension may continue in effect after the event or events giving rise thereto.

34.3 No waiver of rights by X-CLEAR

No failure by X-CLEAR to exercise or delay on its part in exercising any of its rights or pursuing any of its remedies under the Contractual Relationship shall constitute a waiver of its rights or remedies for any purpose (current or future). No exercise of any right or remedy shall preclude any future exercise thereof or of any other right or remedy.

35.0 Contractual basis

35.1 Contractual Relationship

The Contractual Relationship (as defined in clause 1.1) with respect to Members shall be binding between X-CLEAR and each Member on the execution of the Contract for Clearing Services (English Law).

35.2 Amendments to Contractual Relationship

Amendments to the Contractual Relationship shall be effected, with respect to Members, in accordance with the Contract for Clearing Services (English Law), and with respect to X-CLEAR Clients, in accordance with the Contract for X-CLEAR Client (English Law).
Any changes in the provisions of the Contractual Relationship shall enter into unrestricted validity as from the date of their contractual conclusion, i.e. from the date of the bilateral signing (in particular the Contract for Clearing Services and the Financial Collateral Agreement), or from publication on the website of SIX > Exchange & Services > Go to Securities Services > Clearing (in particular the GTC, Rules and Regulations). The respective provisions in earlier editions of the Contractual Relationship shall be repealed from that date and shall cease to be applicable. Any ancillary agreements of a purely procedural or technical nature remain unaffected by this.

As regards any amendments of the Contractual Relationship, the relevant provisions of the Contract regarding Clearing Services are applicable.

35.3 Consultations

Any requirement or obligation under the Contractual Relationship (or any constituent part thereof) on X-CLEAR to hold consultations shall not be construed as imposing any obligation on X-CLEAR to comply with the directions, requests or suggestions of the consultees.

36.0 Dispute resolution

36.1 Addressees of complaints

A Member that wishes to make a complaint to X-CLEAR in relation to the performance by X-CLEAR of its obligations arising under the Contractual Relationship (or to the extent applicable hereunder), shall initially refer the complaint to its relationship manager. Complaints in respect of matters that can reasonably be regarded as operational or technical in nature should be referred to the Relationship Management of SIX (> Exchange & Services > Go to Securities Services > Clearing) in the first instance.

An X-CLEAR Client that wishes to make a complaint to X-CLEAR in relation to the performance by X-CLEAR of its obligations arising under the Contractual Relationship (or to the extent applicable hereunder), shall initially refer the complaint to its Clearing Administrator, or if such Clearing Administrator is under Default, directly to the relationship manager of the Clearing Administrator of X-CLEAR. The Clearing Administrator shall, on behalf of the X-CLEAR Client, apply the procedure set out in this chapter 36.0 mutatis mutandis.

36.2 Bilateral procedure of complaints

X-CLEAR shall make a record of the relevant complaint. X-CLEAR shall at its discretion conduct an investigation into the matters raised by the complaint and shall, if they consider it necessary, request further particulars of the complaint from the Member.
On completion of the investigation of the complaint by X-CLEAR, X-CLEAR shall communicate the results of the investigations to the Member and include details of any action that X-CLEAR have taken or propose to take (which may be conditional on certain actions being taken by the Member). If at this stage the Member is not satisfied with the operational services of any Person, it may escalate the complaint to the relevant level of operative management in accordance with the details relating to escalation of complaints as published by X-CLEAR on the SIX > Exchange & Services > Go to Securities Services > Clearing website from time to time.

Where a Member is not satisfied with the outcome of the investigation, it may refer the complaint to the Executive Committee of X-CLEAR. The Executive Committee of X-CLEAR shall adopt such procedures as it sees fit in order to review the outcome of the investigation by X-CLEAR, but shall not be obliged to conduct a new investigation or hear further representations from the Member.

If the Member is not satisfied with the outcome of the complaint following its review by the Executive Committee of X-CLEAR, the Member may refer the complaint to the Executive Board of SIX Securities & Exchange. The Executive Board of SIX > Exchange & Services > Go to Securities Services > Clearing shall adopt such procedures as it sees fit in order to review the outcome of the Executive Committees of X-CLEAR, but shall not be obliged to conduct a new investigation or hear further representations from the Member.

36.3 **No evidential value**

This complaint procedure, including, without limitation, any outcome, decision or representation made by X-CLEAR, the Executive Committee of X-CLEAR, the Executive Board of SIX > Exchange & Services > Go to Securities Services > Clearing or any Representative or other person or body authorised to act on behalf of any one of them shall have no evidential value in any subsequent proceedings, of whatever nature. Any actions, steps or review carried out pursuant to the procedures outlined in clauses 36.1 and 36.2 shall be undertaken within a reasonable period of time.

36.4 **Appeal**

The Member or the X-CLEAR Client (as applicable) shall not refer any Dispute to a court, tribunal or other Governmental Authority without first exhausting the procedures laid down in this chapter 36.0.

Save as otherwise expressly provided under the Contractual Relationship, X-CLEAR will not undertake any additional or particular verification of such information.

37.2 Monitoring and review by Member

Each Member and each X-CLEAR Client shall regularly monitor its electronic communication facilities – i.e. the e-mail boxes indicated in the contact data and the website of SIX > Exchange & Services > Go to Securities Services > Clearing – during the course of each Business Day for receipt of communications from X-CLEAR.

37.6 Responsibility for use of means of transport

Any loss incurred or suffered by a Member or an X-CLEAR Client arising from the use of post, fax, telephone, telex, electronic mail and other means of transmission or transport (including, without limitation, as a result of loss, delay, misunderstandings, distortion or duplications) shall be borne by that Member or that X-CLEAR Client, save to the extent that X-CLEAR has not exercised reasonable care.

38.0 Provisions applicable to a Co-CCP (co-operating Central Counterparty)

A CCP that wishes to obtain a Membership status in X-CLEAR as a Co-CCP shall apply to X-CLEAR for such status in a manner and form which X-CLEAR at its discretion considers appropriate.

X-CLEAR’s relationship with a Co-CCP shall be governed by the applicable Link Agreement and this chapter 38.0. Furthermore, the provisions of these GTC, and in particular the Default rules of chapter 27.0, shall apply to the Co-CCP mutatis mutandis but only in respect of its obligations in respect of Inter-CCP Contracts. In particular, references to "Outstanding Contracts" shall be replaced by references to "Inter-CCP Contracts" and references to the Membership of a Member shall be read as a reference to the relationship of the Co-CCP to X-CLEAR as a co-operating Central Counterparty.

X-CLEAR’s right to terminate the relationship to the Co-CCP shall only be exercised in circumstances where X-CLEAR has the right to terminate the applicable Link Agreement.

39.0 Governing law and jurisdiction

39.1 Governing law

These GTC Norwegian Branch and the Rules and Regulations shall be governed by and construed in accordance with the laws of England. Annex 5: Auction Participation Rules

In markets where X-CLEAR is providing Clearing Services for Derivative Products it assures the liquidation of a defaulting Member’s portfolio of Derivative Products and/or Securities with a pre-arranged Auction Process.

To this end the following Rules for Auction Participation shall apply:

44.1 Objectives

a. X-CLEAR provides clearing services to banks and securities dealers in accordance with its obligations relating to its regulatory and supervisory status.

b. As a consequence of the close-out process necessitated by the Default of a Member unsettled Single Contracts might result for X-CLEAR in positions in Derivative Products and/or Securities which must be liquidated by “sell off”.

c. In order to liquidate these positions in an orderly manner a procedure is defined at X-CLEAR (the “Auction Process”) which includes arrangements with financial institutions qualifying as Auction Participants and being part of that process.

d. The objectives of the Auction Process are i) to re-establish X-CLEAR’s balance of its order book (”matched book”), ii) to endorse the market participants’ interests of preserving stable market conditions and iii) reduce risks (esp. of contagion) in a time of elevated stress.

e. X-CLEAR intends to offer respective positions in Derivative Products and/or Securities which might include hedge transactions specifically related to the respective positions (the “Offered Portfolio”) for sale to the Auction Participants and act as provided for in this Auction Participant Agreement on trading venue(s) where derivatives and securities are offered for clearing by X-CLEAR.

d. Participate in its role in a yearly default management testing procedure as is imposed on X-CLEAR by its regulatory authorities.

e. As an Auction Participant which is an NCM receive in advance the consent from its GCM to bid for the Offered Portfolio. The GCM shall confirm such consent towards X-CLEAR in written form.

c. X-CLEAR informs the Auction Participants of the single positions of Offered Portfolio and the specific terms of the Auction Process, in particular of the applicable bidding period during which price offers for the Offered Portfolio can be placed.

d. The Auction Process will be conducted in a hidden form (i.e. a “sealed-bid auction”). The Auction Participant submits its bid in writing by email to X-CLEAR without having been disclosed by X-CLEAR of any prices or other relevant details about the bids of other Auction Participants.

e. X-CLEAR reserves the right to cancel an Auction Process if results prove unsatisfactory in X-CLEAR’s reasonable discretion. X-CLEAR will explain such cancellation and either repeat the Auction Process amending (or refraining from amending) the specific terms or resort to an alternative solution for the sale of the Offered Portfolio.

f. The best bid wins the Auction Process. X-CLEAR advises the winning Auction Participant and informs the other Auction Participants by e-mail.

44.5 Incentive

Auction Participants are pursuing the objectives as set out in clause 44.1 let. d. For this they shall be given a benefit in accordance with their usage of the derivative clearing services of X-CLEAR and their efforts as defined in clause 18.5 of the Rulebook.

For the avoidance of doubt, if an NCM wins the Auction Process, its GCM is not considered the winner of the Auction Process within the meaning of clause 18.5 of the Rulebook and, thus, shall not be entitled to the benefits provided in this clause.

The GCM shall agree with its NCM(s) a rule regarding the NCM’s compensation when the latter should win an Auction Process.

44.6 Administration and taxes

This clause shall remain in force beyond termination of this Agreement.

Fees and Penalties

The Auction Participant or X-Clear shall pay the price as set by the Auction Process within two Business Days following the Auction Process.

In case of violation of the Insider Commitment and/or the Confidentiality Commitment the Auction Participant shall pay a conventional penalty of 20% of the Offered Portfolio’s value as set by the Auction Process.

For unsuccessful auctions the absolute value of the Offered Portfolio at the time of the Default as calculated by the applicable clearing system shall be relevant.
