### **Oslo Børs: Platform migration from Millennium Exchange to Euronext Optiq**

#### **1.0 Overview**

Oslo Børs' trading systems for the Oslo Børs and Oslo Axess Cash Equities markets will migrate from the Millennium Exchange to the Euronext Optiq system.

#### **2.0 Effective date**

9 November 2020.

Pending regulatory approval and market readiness, the migration to Optiq is scheduled for 9 November 2020.

#### **3.0 Impact on participants**

Members are kindly requested to follow Oslo Børs' communications and information with respect to Member testing.

The interface between SIX x-clear Ltd and its Clearing Members is not subject to changes. However, Clearing Members active on the Oslo Børs and Oslo Axess Cash Equities markets will be required to update their Trading Member IDs. In the Euronext Optiq system, the three- to four-digit code currently used as the Trading Member ID will be replaced by the Trading Participant's Bank Identifier Code (BIC). SIX x-clear (Zurich) Clearing Members are kindly requested to get in contact with the Solutions & Onboarding Team to update their Trading Member IDs. SIX x-clear Norwegian Branch Clearing Members are kindly requested to get in contact with SIX x-clear's Risk Management Operations Team to update their Trading Member IDs.

The Solutions & Onboarding Team can be contacted at [solutions.onboarding@six-securities-services.com](mailto:solutions.onboarding@six-securities-services.com) or through your Relationship Manager.

The Risk Management Operations Team can be contacted at [xclearops.no@six-securities-services.com](mailto:xclearops.no@six-securities-services.com) or through your Relationship Manager.

#### **4.0 Details**
