### **Listing and first day of trading of Transocean on April 20, 2010**

**On April 20, 2010 shares in Transocean Ltd. are to be traded on SIX Swiss Exchange for the first time. In accordance with the index regulations, the company will be added to the SPI after close of trading on April 20, 2010, effective April 21, 2010.**

On account of the company's size in terms of its free float market capitalization, the Management Committee of SIX Swiss Exchange is considering taking the step of extraordinary inclusion of the share in the SMI and SLI. Extraordinary inclusion in the SMI and the SLI prior to the ordinary index adjustment in mid-September 2010 is expressly conditional on the shares traded on SIX Swiss Exchange being sufficiently liquid for inclusion, i.e. the daily order book turnover in Transocean shares on SIX Swiss Exchange must reach a volume which is in a specific ratio to the market capitalization.

On reaching the stipulated turnover levels, the Transocean share will be added to the SMI and the SLI at the earliest after close of trading on June 18, 2010 (Eurex maturity date), effective June 21, 2010.
