### **Transocean Ltd. (RIGN) opens at CHF 95.20**

Today, the shares of Transocean Ltd. have been listed in accordance with the Main Standard and are traded on SIX Swiss Exchange for the first time. The opening price was CHF 95.20. This corresponds to a market capitalisation of CHF 31.9 billion. In accordance with the index regulations, the company will be added to the SPI<sup>®</sup> after close of trading on 20 April 2010, effective 21 April 2010. On account of the company's size in terms of its free float market capitalization, the Management Committee of SIX Swiss Exchange is considering taking the extraordinary step of including the share in the SMI<sup>®</sup> and SLI<sup>®</sup>.

According to the listing prospectus, 335,235,298 registered shares with a nominal value of CHF 15.00 were registered in the Commercial Register.

Transocean Ltd. is an international provider of offshore contract drilling services for oil and gas wells. Its fleet consists of High-Specification Floaters (Ultra-Deepwater, Deepwater and Harsh Environment semisubmersibles and drillships), Midwater Floaters, High-Specification Jackups, Standard Jackups and Other Rigs. Transocean's primary business is to contract its drilling rigs, related equipment and work crews predominantly on a dayrate basis to drill oil and gas wells. The company specializes in technically demanding segments of the offshore drilling business with a particular focus on deepwater and harsh environment drilling services. Transocean also provides oil and gas drilling management services on either a dayrate basis or a completed-project, fixed-price (or "turnkey") basis, as well as drilling engineering and drilling project management services, and participates in oil and gas exploration and production activities.

With more than 50 years of offshore drilling experience and more than 18,000 personnel worldwide, Transocean holds most of the world's deepwater drilling records.
