Change in trading segments for Weatherford International Ltd and Petroplus Holdings Ltd due to extraordinary inclusion of Weatherford International in SLI®

Dear Sir/Madam

SIX Swiss Exchange informed you in a [media release](#) on 7 March 2011 of the extraordinary inclusion of Weatherford International Ltd in the Swiss Leader Index (SLI®). This message contains the key information regarding the consequences of this extraordinary index composition change.

The inclusion of Weatherford International Ltd in the SLI® and the resulting elimination of Petroplus Holdings Ltd from the index mean that both stocks will be moved to different trading segments as of 21 March 2011. Weatherford International Ltd will be moved from the Mid and Small Cap segment (market code XSWX) to the Blue Chip segment (market code XVTX), while Petroplus Holdings Ltd will be moved from the Blue Chip segment to the Mid and Small Cap segment.

All good-till-date orders relating to the two stocks will be deleted from the order books after the close of trading at 5.30 p.m. CET on 18 March 2011 (the last trading day before the change in segments). Members will receive confirmation that their orders have been deleted in the form of an STI Execution Report Message with OrdStatus "Canceled" and Text "0 : delisted".

We will leave it to them to enter these orders into the new order books by the start of trading on 21 March 2011.

Product name	Symbol	Swiss security number	ISIN	Trading currency	Trading segment	
					XSWX	XVTX
Weatherford International N	WFT	3,883,839	CH0038838394	CHF	old	new
Petroplus N	PPHN	2,775,224	CH0027752242	CHF	new	old

Following this change in segments, the market codes (MICs) of the two stocks will be changed accordingly for SIX Exfeed market data recipients.

All the information on the valid trading parameters can be found in the annex to [Directive 3: Trading](#) and in the [Product Guide - Equity Market](#) on the SIX Swiss Exchange website.

Many thanks for your attention to this matter.

Sincerely

SIX Swiss Exchange Ltd
