                      Marc Berthoud, Deputy Head of Data & Index Products  
Pages             1  
Date              27.05.2013

---

Information 

Based on the criteria set out in the index regulations of the SIX Swiss Exchange (rules governing the SMI<sup>®</sup>, SLI<sup>®</sup>, SPI<sup>®</sup> and SXI<sup>®</sup> indices), the scheduled index adjustments will be conducted on 21 June 2013 after the market close and take effect as of 24 June 2013.

A provisional list with **newly valid outstanding share totals and free float values** is accessible at the SIX Swiss Exchange website:

[http://www.six-swiss-exchange.com/indices/adjustments\\_en.html](http://www.six-swiss-exchange.com/indices/adjustments_en.html)

The final list will be published on 17 June 2013 prior to the opening. This allows any last-minute updates to be taken into account.

### **Adjustment of capping factors SLI<sup>®</sup> and SXI<sup>®</sup> Family**

For the SLI<sup>®</sup> as well as for the SXI<sup>®</sup> Family, large capitalised securities will be capped again at 9% and 4.5% (SLI<sup>®</sup>) and at 10% (SXI<sup>®</sup>) on the basis of the closing prices of 14 June 2013. The capping factors will be published on 17 June 2013 prior to the opening in the list mentioned above.
