

SIX Norway Index

Market index of companies listed on the Oslo Stock Exchange.

The SIX Norway Index reflects the performance of the Oslo Stock Exchange.

The SIX Norway Index (SIXNOR) has been constructed to mirror the market performance of companies listed on the Oslo Stock Exchange. SIXNOR is a capital weighted index which aims to reflect the market performance from a fund management perspective.

SIX Norway Index

Index variations

The SIX Norway Index is part of the SIX Nordic Index family which consists of Nordic indexes as well as individual country indexes. SIXNOR is calculated in three dividend versions (Price, Gross and Net) and are available in both capped and uncapped variants.

All listed securities are also divided into Large, Mid and Small cap segment indexes based on their market capitalization. These indexes are reviewed semi-annually, based on the prevailing market values.

Index calculation

New listings on the Oslo Stock Exchange are included in the index calculation from the second listing day.
